

Red Order To Ignore Western Allies Withdrawn

Deny Plea Made To Eisenhower By White House

WASHINGTON (AP)—J. Howard McGrath, Democratic chairman, said today the White House has taken no steps to try to get Gen. Dwight D. Eisenhower to remove himself definitely as a possible Democratic presidential nominee.

McGrath made this comment a reporter when asked about Washington dispatch to the St. Louis Post-Dispatch. This story said a meeting of the White House "kitchen cabinet" Wednesday had decided to send George E. Allen, friend of both Mr. Truman and Gen. Eisenhower, to New York to urge him to remove himself "flatly and irrevocably" from the nomination contest.

Allen was a guest of Eisenhower in New York today. Reached by telephone, he said: "I have no comment on anything."

The Post-Dispatch story, by Howard A. Harris, said: "Allen will seek to induce Eisenhower to issue a Sherman pronouncement that he could not run if nominated at a Democratic convention and could not serve if elected."

Ammunition Sales To Western Europe By Canada Unlikely

OTTAWA (CP)—Canadian sales of surplus war munitions to Europe's Western nations have been dealt at least a temporary setback, but the Canadian government has been seeking considerable quantities of surplus munitions here, it is learned today.

An official said the Chinese army mission in Ottawa started to inquire a month ago about the possibilities of obtaining munitions for its civil war against the Communists. The matter was "under consideration, but there is nothing definite yet."

The official was commenting on reports from Quebec City that its Palace Hill arsenal, one of the plants of the crown-owned Canadian Armaments Limited, would be directed to turn out the order.

From the European standpoint, the government had been hoping to relieve itself of war munitions by selling millions of dollars' worth through the United States to the western European defense alliance of Britain, France and the Benelux countries. However, this hope foundered on the objections of American industry, which demanded prior rights.

Business Wanted For Biggest Airfield

NEW YORK (AP)—The world's largest airfield, the 4,900-acre New York International Airport at Idlewild, Queens, was opened officially Thursday.

Then, for 13 hours, field personnel waited for a plane to take off or arrive.

Finally, a small plane landed and taxied to the administration building. Out stepped the Port of New York authority commissioner, Donald M. Lowe.

"I'd like to see some business coming in," he said.

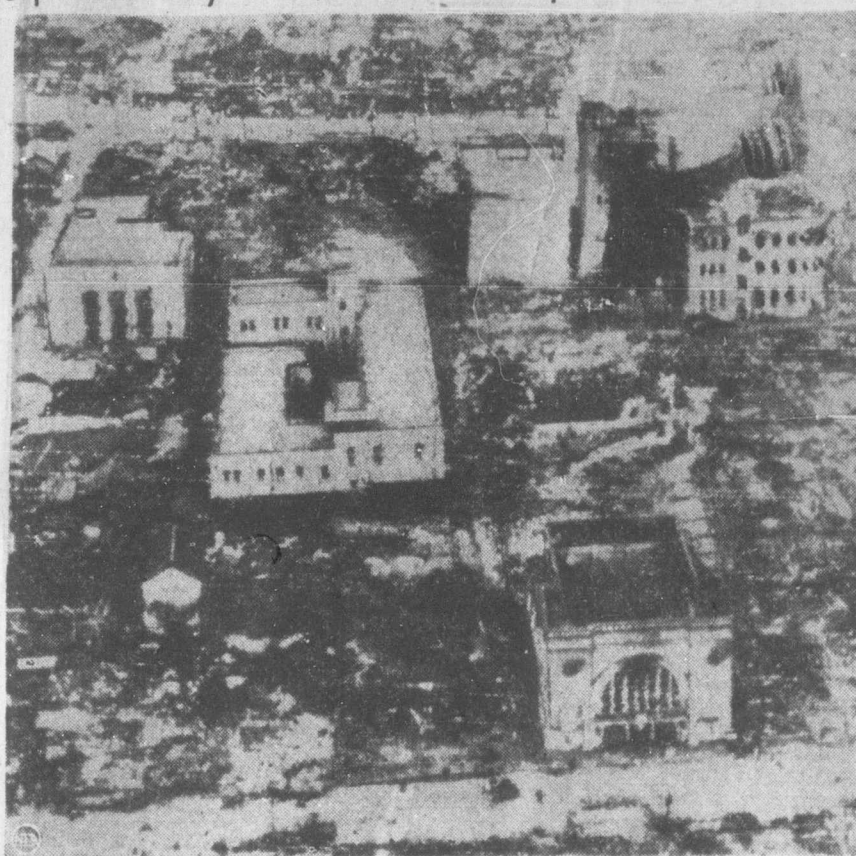

Calgary Stampede May Face Strike On Racing

CALGARY (CP)—The board directors of the Calgary Exhibition and Stampede will hold an emergency meeting later today to discuss the threat of a horse racing being canceled at the Calgary Stampede July 5 to 7.

Stampede manager Charles E. said: "Earlier today the prairie division of the Horsemen's Benevolent Protective Association announced in Winnipeg that horsemen would not enter for the six-stampede meeting unless \$100,000 was raised. The present purse price is \$600,000."

Association officials said the

Japanese City In Shambles After Quake

Japanese silk manufacturing city of Fukui, above, is scene of desolation after suffering the brunt of earthquakes which took more than 3,000 lives. Almost all buildings were razed, now lying in shambles with giant craters exposed. The city of 85,000 population had been largely rebuilt after being wrecked by B-29s during the war.

Buyers Beat Deadline On Sales Tax, Accepting It Philosophically Today

British Columbians have apparently accepted the 3 per cent retail sales tax. Stores and the provincial tax commissioner reported today that difficulty in collecting the tax starting Thursday had been less than expected.

Furniture stores reported they did a bigger than usual month-end business and felt that many Victorians were trying to make purchases before the tax deadline. Business today, however, has shown no sign of falling off.

One large store reported Wednesday's half-day business the biggest in some time and attributed this to the Dominion Day holiday and the sales tax. How much of this was a result of the sales tax will never be known.

One store owner reported the public was accepting the tax very graciously and this was confirmed by Lloyd F. Detwiler, commissioner for the tax, who reported today a marked decline in the number of inquiries about the levying of the tax.

"Everything seems to be under control," he said. "There was no mile-long list of waiting people this morning. It looks as though we're over the top."

"It looks as though John Q. Public has accepted it."

Mr. Detwiler had expected more confusion than has actually shown up to date and he said there was practically no floundering by storekeepers, helpless to know how to go about levying the tax. Small storekeepers in outlying districts of the province seem to have experienced some difficulty.

In the major cities the briefing of store collecting agencies was effected by retail merchants' associations, and according to Mr. Detwiler, they have apparently done a fine job. Nearly all the requests for information have come in the form of a letter stating: "With reference to section blank of the regulations..."

PAPER SHORTAGE
One major difficulty experienced in collecting the tax has been the difficulty of securing paper on which to print the L, 3 and 5-cent tax tickets. British Columbia's 30,000 retail outlets asked for 15,000,000 tickets and the government has been unable to provide all of them to date.

Partly to blame for this is the floods which held up the shipments of paper stocks. Mr. Detwiler expects to have all the requests supplied within a week.

In the meantime, he reported, stores without the tickets are setting up makeshift collecting systems. He felt confident the stores are doing the best they can.

Levying of the tax has made necessary some fine distinctions between "tangible personal property" which is taxable and services, which generally are non-taxable, and between foods, which are untaxable, and confectionery which is taxable.

Thus British Columbians will pay no tax on a 15-cent milk shake, but on a 15-cent ice cream soda they must pay a cent tax.

A purchase of a pound of nuts in a grocery store for cooking purposes will not be taxable. But if you buy a package of salted peanuts you will pay the tax.

Generally if such foods are set up in attractive packages and are ready for eating they will be taxable.

EXPECTS SOME REFUSALS
Mr. Detwiler feels certain that there will be a small group of persons who will refuse to pay the tax or be objectionable about paying it. At the start persons are going to come back to stores to make single purchases which if made together would be taxable.

The checking of collections will be done with the most up-to-date machinery available. Collections of similar stores will be weighted one against the other and if wide differences are shown the inspectors will be sent out to investigate and make audits of the books.

This is a system similar to that used in California and has been proven the most modern and efficient in the tax collecting field, he said.

The checking up of the 2 per cent who fail to conform can thus be effected without putting an undue burden on the remaining 98 per cent who are living up to the law, he said.

The National Research Council said full-scale "flight investigations" will be launched at Arnprior, Ont., and Suffield, Alta. N.R.C. has research establishments at both places.

NEW TESTS PLANNED IN ARTIFICIAL RAIN

OTTAWA (CP)—The government today announced new plans in its search for a definite answer to the question about man's ability to make rain.

The National Research Council said full-scale "flight investigations" will be launched at Arnprior, Ont., and Suffield, Alta. N.R.C. has research establishments at both places.

Arabs' Rejection Of Bernadotte's Terms Indicated

CAIRO (AP)—Count Folke Bernadotte is expected in Cairo tomorrow to try to salvage his Palestine peace plans in the face of threatened Arab rejection.

An Arab League informant said this after Arab leaders had refused to send representatives to Count Bernadotte's Rhodes headquarters. They asked the United Nations Palestine mediator to come here if he wished to talk with them.

Count Bernadotte arrived in Jerusalem Thursday night to straighten out truce problems, including food allotments for the city's 100,000 Jews.

Mosh Shertok, Israel Foreign Minister, also visited Jerusalem Thursday and discussed truce problems with Jewish civic leaders. Archbishop Guytavo Testa, Vatican envoy, is also in the Holy City inspecting religious buildings to determine the damage caused by the recent siege.

DRAFTING REPLY
A high Arab League source said Thursday the League will turn down Count Bernadotte's proposals for a permanent Palestine peace, and has appointed a committee to draft a reply to the mediator's plan, submitted early this week.

The nationalist newspaper Al Misri said here Count Bernadotte had proposed that Arab Palestine be joined to Trans-Jordan and that the Arabs accept Israel as a Jewish state.

Al Misri said the plan would revise the U.N. partition scheme and give the Negev desert in the south to the Arabs.

Both sides have the right to give counter-proposals.

The U.N. Truce Commission in Jerusalem was told formally Thursday of an Arab violation of the truce earlier this week. A Jewish spokesman said Arab snipers at the Jaffa and new gates fired into the Jewish zones, wounding four Jews, two of whom died later.

Series Of Half-Day Strikes In Italy Ordered By C.G.I.L.

ROME (AP)—A series of industrial strikes began in Italy at noon today. They were called by the Communist-led General Confederation of Labor.

Leaders of the C.G.I.L., which boasts 6,000,000 members, called out "all workers of industry in general" to stage a half-day shutdown for higher pay.

A last-minute decision averted participation by stores in the walkouts.

Public services also were operating, but buses and streetcars were scheduled to halt from 5 p.m. to midnight.

Industries affected include metal working, printing and publishing (except daily newspapers), building and coal.

More strikes will be called Saturday and on successive days for a week.

The C.G.I.L. scheduled its strike "calendar" a week ago to hand the hard-pressed government the sharpest reaction recently to high living costs, unemployment and mass layoffs by industry.

1,000 Chinese Drown

FOOCHOW, China (Delayed)—A sudden flash flood in the past three days drowned 1,000 persons here, left 200,000 homeless and destroyed 10,000 buildings.

Heavy rains in the upper reaches of the Min River made the stream a raging torrent.

Communist Test

HELSINKI (AP)—Finland winds up today the parliamentary elections which will afford a new measure of Finnish Communist strength.

The voting began Thursday. A preliminary count of the ballots will begin tonight, but trends are not expected to be determined until Saturday night.

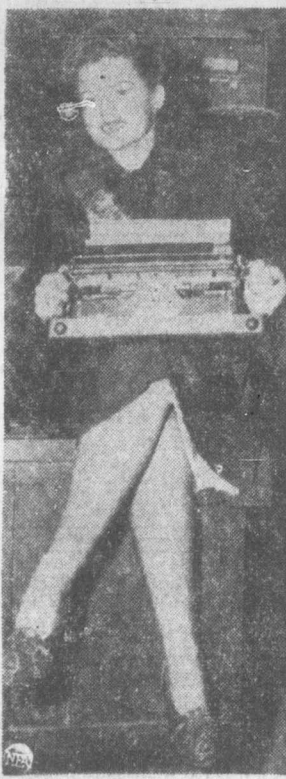

Voters turned out in considerable numbers Thursday. The atmosphere was calm and the weather sunny.

Six parties are competing for 200 seats in the single house of parliament. Despite the recent Soviet-Finnish friendship pact, political observers expected the Communist-led Popular Democratic bloc to lose a few of its 51 seats.

Marshall said the Russians have returned eight merchant ships "leased" to them, but they still hold the others. The return of these is one of the main topics under discussion.

German Communists Made Mistake; New Kommandatura Set Up

No More Dictation

That typewriter won't rest on June Dry's knees any longer. Awarded "Miss Secretary of 1948" title at National Secretaries' Association convention in Hollywood, Miss Dry, 19, of Reading, Pa., was offered several screen contracts. She promptly announced she wanted to give up her job anyway.

LATEST

Bank Robbed

VANCOUVER (CP)—Two men, both armed, held up the Bank of Canada branch on the Denman Street branch of the Royal Bank of Canada shortly before noon today and escaped with a small amount of money.

Refuse To Sign

WASHINGTON (AP)—Eighteen major steel companies refused today to sign the new coal mining contract and filed charges of unfair labor practices against John L. Lewis and the United Mine Workers.

Their stand appeared certain to bring a strike at the so-called "captive" coal mines of the steel companies.

1,000 Chinese Drown

FOOCHOW, China (Delayed)—A sudden flash flood in the past three days drowned 1,000 persons here, left 200,000 homeless and destroyed 10,000 buildings.

Heavy rains in the upper reaches of the Min River made the stream a raging torrent.

Communist Test

HELSINKI (AP)—Finland winds up today the parliamentary elections which will afford a new measure of Finnish Communist strength.

The voting began Thursday. A preliminary count of the ballots will begin tonight, but trends are not expected to be determined until Saturday night.

Voters turned out in considerable numbers Thursday. The atmosphere was calm and the weather sunny.

Six parties are competing for 200 seats in the single house of parliament. Despite the recent Soviet-Finnish friendship pact, political observers expected the Communist-led Popular Democratic bloc to lose a few of its 51 seats.

Marshall said the Russians have returned eight merchant ships "leased" to them, but they still hold the others. The return of these is one of the main topics under discussion.

BERLIN (Reuter)—Berlin Communist leader Herman Mattern tonight said he had "made a mistake" when he said the Russians had instructed the capital's acting mayor, Frau Louise Schroeder, to accept their orders alone.

He made this admission to newspaper reporters who sought him out on finding that no such Soviet order had been delivered to Frau Schroeder.

The western powers set up their own "shadow Kommandatura" today to rule their sectors of Berlin where four-power rule lapsed Thursday when the Russians said the Allied Kommandatura had ended.

Earlier, William Draper, Undersecretary for the United States Army, had said the United States must take steps to end the Russian blockade of Berlin.

Draper told a press conference it would "certainly be very difficult to keep Berlin's industry going if the blockade continues."

He did not know of any steps being taken to call a meeting of the Big Four Foreign Ministers to discuss the situation.

"I cannot see how one power can justify besieging the city just because the city is surrounded by their territory, to gain political advantage over the other three powers," he added. "I do not like it."

Draper said he understood the supplies by air at least alleviated the situation.

U.S. Planes Speed Food Supplies

The United States Air Force was doing the best it could to throw all available aircraft into the "air bridge," and it was intended to continue stepping up the air lift.

Other officials said the air lift was beating the Soviet food blockade.

They said that by July 15 the service would have bolstered the western sectors' food stocks enough to assure a supply until Sept. 1.

The plane shuttle from Germany's western zone started on a small scale a week ago after the Russians had stopped freight train traffic over the line to Berlin.

Planes now are on foot for the British and U.S. planes to fly in coal supplies as well as food. The coal will be dropped on a number of areas in the city, including the vast stadium built for the 1936 Olympic Games.

The American Deputy Commander of Berlin said Thursday the United States would not consider the Russian action in quitting the Kommandatura official until Gen. Lucius D. Clay, American Military Governor, was so informed.

Tear Gas Quells Ontario Jail Riot

SUDBURY, Ont. (CP)—Tear gas was used by guards to quell a riot over food on the Burwash industrial farm last Monday night it was revealed today. Hundreds of panes of glass were broken in the dormitory and several tables were smashed.

The riot was reported to have centred in Camp 2, largest camp which serves as headquarters for the farm. About 225 prisoners were involved, but there was no trouble at the jail farm's other two camps.

No Steps Taken Yet On Jap Peace Pact; Canada Watches

OTTAWA (CP)—Informed sources said today there have been no developments towards the opening of a conference to draft the Japanese peace treaty.

One factor blocking the possibility of a Far Eastern conference, they said, was the feeling by China that some form of veto should be available to attending nations.

The United States, while it was pressing a few months ago for an early assembly, was reported to have "lost interest" in the project for the time being.

Canada's position still is that she hopes the conference will be called as early as possible.

British Plans To Buy Canadian Planes Hit

LONDON (CP)—London morning newspapers today said the cabinet shortly would announce plans for re-equipping British air lines, and the consensus is that the decision will be to buy Canadian-built aircraft.

The Daily Herald, Labor newspaper, said a cabinet sub-committee headed by Viscount Addison had decided to recommend to the full cabinet adoption of "the Canadian project" under which a number of Canadian IVs would be purchased for British Overseas Airways.

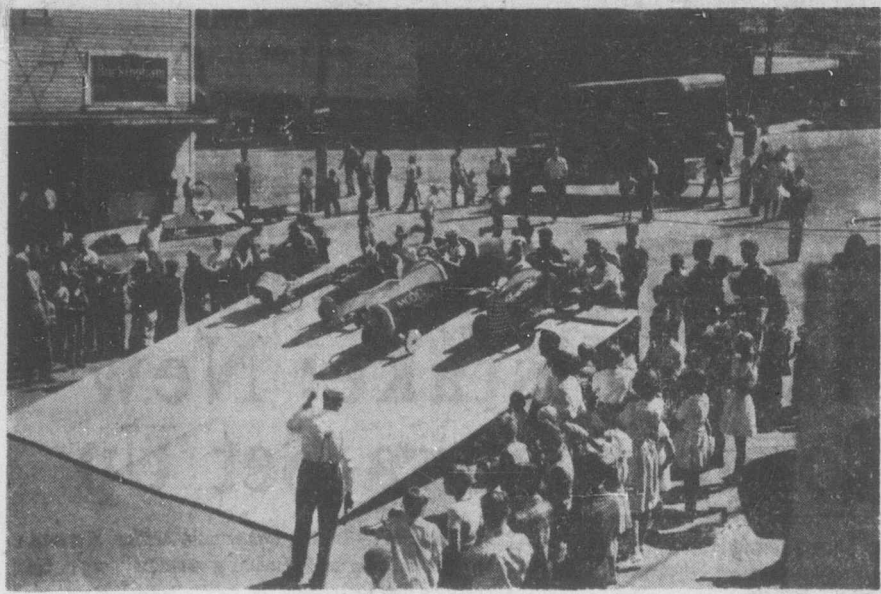

The Daily Express, Conservative, in a front-page story said the sub-committee would recommend the purchase of 22 Canadian IVs. The Express added that 22 was the compromise figure reached after the sub-

committee had failed to reach unanimity on B.O.A.C.'s request for sufficient dollars to buy 40 Canadairs.

In an accompanying editorial in which the Express described the decision, it said the cabinet had taken as "disastrous," adding that it would "inflict irreparable damage on British aviation exports for at least 10 years."

If the full cabinet should approve the sub-committee's reported decision, the Express said the order would involve an expenditure of more than £3,500,000 (\$14,000,000). The Canadair, which costs £162,500, has British engines which would be paid for in sterling. Assembled in Montreal, it is a 40-passenger plane which cruises at 290 miles an hour and carries a six-ton payload.

Victorian Wins Alberni Soapbox Derby

Some of the cars at top of Argyle Street, waiting for the gun in the featured open event. In car, second from left, is Norman Wilkinson, Victoria, winner of several trophies.

PORT ALBERNI—Clean sweep of the Gyro soap box derby here Thursday was made by Norman Wilkinson, Victoria, when he took first places in the open island championship event and Class A for 10 to 12 year-old entrants. He was also awarded the special prize for the best all-around car entered.

Two thousand people lined Argyle Street during the many heats of the races, which attracted 20 cars and a total of 32 entrants. Two drivers were allowed per car.

In winning the island cham-

ampionship event, Wilkinson paced an open field in which some of the cars were driven by Class B entrants up to 15 years from Port Alberni, Alberni and Nanaimo.

He won a total of \$25 and possession for one year of the Port Alberni Junior Athletic Club cup, won by Gord Moul of Port Alberni for the past two years.

RUNNERS-UP

Runners-up in Class A were Doug Moul, second, and Tom Christian, Port Alberni, third. Ian Frost, Alberni, was fourth, but not in the money.

Winner of Class B was Jack

Perry, Alberni. In the second and third places were Larry Reid, Port Alberni, and Gord Moul, with Grant McGarrigle fourth.

First, second and third places for good car construction were won by Gordon Moul, John Doucette, Alberni, and Jack Perry.

Gyros staged special novelty events at Recreation Park on Wednesday evening, and children's races and other events were run off at the park following the derby. A monster dance at A.A.A. hall wound up the celebrations. Proceeds go toward construction of playgrounds at the Albernis.

Awards Made At South Park School Closing Exercises

The school colors—blue and white—were used as a setting for the closing exercises, held in the auditorium of the school, tall blue and white delphiniums being used with other summer blooms.

The principal, Jack McKenzie, introduced John Gough, municipal inspector of schools, who addressed the graduates, and presented achievement prizes to Donald McLeod and Mary Cameron.

Citizenship awards were made to Ken Schebek and Jean Myers, the respective presentations being made by two former principals of the school, Allison Campbell and H. S. Hurn.

Mrs. E. Eastwood, president of the James Bay Parent-Teacher Association, presented a framed etching to the pupils of Miss Wallace's class for having the largest number of parents present at P.T.A. meetings during the year.

Mrs. N. Simpson, past president of James Bay P.T.A., presented the House Shield to Thompson House winner for the 1947-48 term.

CRESTS FOR SERVICE

Crests for faithful service as prefects were awarded to Joan Elliott, Jean Myers, Virginia Moffat, Mary Cameron, Joy Russell, Ken Schebek, Russell Coleman, Robert Callow, Ronald Alger and Ken Burgoyne, the presentations being made by W. Orchard, vice-principal of the school.

Swimming certificates were won by Carol-Anne Graham, Viola Yetman, Joan Gladson, Valdrada Speed, Brian Fisher, Ronald Marshall, Ross Roscamp and Brian Warburton, and presented by Jack Hayes.

Sergeant Douglas of the City Police Force, after commending those boys who had acted so efficiently on the traffic patrol for the school, presented each of the following with a photograph of the group: Paul Steeves, Raymond Farmer, Frank White, Jerry Blon, William Woodbury, Arthur Evans, Gordon Walters, Garth Myers, Malcolm McBride, Richard McBride, David McNab, Daniel Woodbury, Leonard Chekewich, Ronald Steele, Buddy Rutherford, Lloyd Melbourne, Ronald Minnis, Billy Christian, Roy Lewis, George Whale, Don Village, Francis Taylor, Bobby White, Ross Roscamp, Bruce Armour, Hilton Holt, David Scott, Billy Hall and Billy Greston.

The program concluded with an expression of good wishes for a happy holiday season to all present, expressed by Walter Jean, school trustee of Greater Victoria.

The Second World War he took over the burden of directing Canada's financial status as Minister of Finance. He was appointed Minister of Justice in December, 1946.

ANNOUNCEMENTS

All-Canadian Exhibition hand-weaving by Victoria Hand Weavers' Guild, Empress Hotel, Duke of Kent Room, Monday, Tuesday, Wednesday, July 5, 6 and 7, from 10 a.m. to 10 p.m. daily. Under distinguished patronage of the Honorable W. T. Straith, Minister of Education. Official opening Monday, July 5, at 2:30 p.m., by Miss Kathleen Agnew. Admission free.

Appetizing Home Cooked Meals at the Mayfair Cafe, 1011 Broad Street.

Third annual C.C.F. Garden Party, July 14, 857 Pandora Ave.

When seeking a gift, make a practice of visiting Skinner & Cran, the spacious, well-stocked china and jewelry store in the Pemberton Bldg., 621 Fort St.

Duncan Carnival Draws 20,000

Colorful I.O.O.F. float took first prize in the floats entered by fraternal organizations in the parade. All photos by Island Events.

Special to the Times

DUNCAN—Duncan's population for one day, Thursday, was boosted well into five figures when thousands of happy fun-makers in gay festive mood thronged the streets to see the fifth annual Duncan Dominion Day Carnival.

The sun shone brightly upon the holiday crowd, which by the middle of the afternoon, officials in charge of the fiesta believe, had exceeded the 20,000 record set last year. A cool breeze played over the carnival grounds giving comforting relief to the merry-makers who had gathered to watch and take part in a program which started with a grand parade at 10.45 in the morning and kept going deep into the night.

It seemed that all roads led to Duncan, for crowds started pouring into the city by 9 in the morning and by noon Duncan was jammed. Special buses and a special train from Victoria carried hundreds to the carnival. Scores of hitch-hikers found their way to Duncan.

CHILDREN LEAD BIG PARADE

A big parade with more than 20 floats and four bands opened the ceremonies. A children's pet and fancy dress group led the parade to the carnival grounds. Prominent in the parade were the Oak Bay Girls' Drill Team, the Canadian Scottish Brass Band and the Victoria Girls' Pipe Band and the Fairbridge Cadet Bugle Band.

May Queen Stephanie Jones of Victoria and her princesses and attendants rode in the parade and took part in the ceremonies. Queen Joan Sutherland of Nanaimo, Lady of the Lake Ruby Tasa of Lake Cowichan represented those up-island centres.

Hon. W. T. Straith, Minister of Education, officially opened the show. Mr. Straith recalled the time when the Duncan Carnival was called the Sweet Pea Festival, which he said showed that he had been attending Duncan shows for many years.

Mr. Straith congratulated the chairman and committee on their efforts in staging such a gay pageant and spoke of the significance of July 1 as the birth of our country 81 years ago.

"Canada then became a united nation," he said. "We in British Columbia are a proud member. B.C. did not join at that time but we joined a few years later," he said.

LUMBER QUEEN OF 1948

M. M. Hopton, chairman of the Duncan Dominion Day Carnival welcomed the visitors.

Last year's Lumber Queen, Dorothy Cook, crowned vivacious Eleanor Ferguson of Youbou, Lumber Queen of 1948 and Queen Eleanor reigned over the fiesta.

Rosa Diron of Duncan, Sheila Burnett of Lake Cowichan, Jeanne Meyland of Shawnigan Lake, and Joan Saunders of Chemainus were princesses.

Mrs. Straith presented gifts to the Lumber Queen and her princesses and pretty little six-year-old Mary-Lou Nicholson as flower girl presented Mrs. Straith with a beautiful bouquet of roses.

OAK BAY GIRLS ENTERTAIN Official chaperone was Mrs. J. H. Speer who was assisted by Miss Lillian Murchie. Following the crowning ceremonies the Oak Girls' Drill Team gave a thrilling drill exhibition after which the Lumber Queen and her entourage and visiting queens and their attendants were guests at a civic luncheon, after which the Lumber Queen soared over the carnival grounds in a plane.

Smiling Eleanor Ferguson is crowned Lumber Queen for 1948 by last year's queen, Dorothy Cook, at the gala Duncan Dominion Day Carnival.

John Murray, defending champion, again won the B.C. open championship sawing contest in 1 minute 4 2/5 seconds. The log was 32 inches in diameter.

The newly-formed Cowichan Band played at the carnival grounds.

A gymkhana at the Agricultural Grounds attracted more 1,000 spectators.

WALDIE WINS AGAIN

Highlight of the carnival was the loggers' sports.

Carlos R. Waldie, woods foreman for Hillcrest Lumber Co. Ltd., of Mesachie Lake, captured the tree-climbing event for his fifth consecutive year. He went up and down a 70-foot tree in 28 seconds. Last year he established a world record by climbing the same tree in 24 1/2 seconds.

RETAINS SAWING TITLE

Charlie Murray of Wellington retained B.C. open championship sawing title by sawing through a 32-inch log in 1 minute 4 2/5 seconds. J. Gustafson was second, his time being 1 minute 28 1/2 seconds.

Power saw bucking contest was won by Oliver Powell and Nick Melinko who sawed two cuts in a 32-inch log in 44 seconds. They were using a Mercury power saw. Phil Whittaker and Doug Aitken were second in 1 minute 7 1/2 seconds.

One man splicing contest was won by A. Meyd, Duncan, in 7 minutes 49 2/5 seconds.

Mrs. J. G. Davis of Union Bay was ladies' nail driving champion. Phil Whittaker, Duncan, again won the B.C. open championship chopping event in 1 minute 33 3/5

Wide Training For 960 Cadets Coming To Pat Bay Station

First group of 960 air force cadets, from squadrons throughout British Columbia and Alberta, will arrive Sunday at R.C. A.F. Station, Patricia Bay, B.C., for two weeks' training.

Three such camps will be held with arrivals of 320 on July 4, July 18 and Aug. 1.

In addition to being instructed in airmanship, navigation, meteorology, wireless, airframes, aero engines and armament, the cadets will be taught how to handle, maintain and fire .22, .303 rifles and Browning machine guns.

They will also receive several hours' flying in Expeditor aircraft (a light of these aircraft being supplied by R.C.A.F. station, Vancouver); simulated operational trips in high-speed launches (supplied by 122 Marine Squadron, Pat Bay); first aid by St. John Ambulance Corps, and life saving by Red Cross instructors.

Guided tours are also planned to H.M.C.S. Naden, H.M.C.S. Royal Roads, the Astrophysical Observatory and other local points of interest in the area.

A complete 12-bed hospital will be available.

Organized swimming and diving classes will be supervised by qualified instructors at Beaver Lake and Elk Lake.

An intensive sports program will be in effect and each course will finalize the stay at camp with a sports day, at which time prizes will be awarded to the winning contestants and squadrons.

To Discuss Ward 3 Water Problems

Water problems in Ward 3 will again be aired tonight at a meeting in the home of ward councillor, J. L. Hobbs, 3880 Hobbs Road, at 8.

Reeve E. C. Warren as chairman of the Sanich Council waterworks committee, will meet the executive of Ward 3 Ratepayers' Association. This ward is one of the hardest-hit sections of the municipality for lack of water during the hot months.

A 10 Mile Point delegation recently met Sanich Council on the inadequacy of the water supply, gained little for their efforts and the new meeting has been called to see what improvements can be made.

Minister's Wife Dead

LONDON (Reuter) — Mrs. Lillian Ede, wife of Home Secretary Clutter Ede, died Thursday after an illness lasting a week.

LUXTON—The sum of \$22 was realized for the flood emergency fund at a tea held by pupils of Happy Valley School. Laurie Mowat, president of the Junior Red Cross, welcomed guests and G. Brown, school inspector, congratulated the students for their efforts for flood relief. He then presented cups to David Owens, Carolyn Hiscock and Bobby Milk, winners at the Socke sports meet. Mrs. F. Willway was ac-companist for the entertainment.

330 Bishops Join In Ceremonies Opening Lambeth Conference

CANTERBURY, Kent, Eng. (CP)—The Archbishop of Canterbury, Geoffrey Fisher, seated in the ancient chair of St. Augustine in Canterbury Cathedral, opened the eighth Lambeth Conference of Anglican churchmen.

The massive chair, believed to be 1,343 years old and used for the enthronement of archbishops, had been moved to the front of the high altar for the occasion.

The 330 bishops, among them 23 from Canada, including Rt. Rev. Harold Sexton, Bishop of British Columbia, whose see city is Victoria, heard the archbishop call for "all Christian people to work for unity and fellowship" in God.

The Archbishop of Nova Scotia, Most Rev. George Frederick Kingston, presented a cheque for \$65,000 from the people of Canada for the Canterbury Appeal Fund. Canada expects to raise \$100,000 before the campaign is over.

Lambeth Conferences—named after Lambeth Palace, London home of the Archbishop of Canterbury—were held each 10 years between 1870 and 1930 to consider whether church doctrine needed modifications in the light of world affairs and trends. The war prevented a meeting in 1940.

Archbishop Fisher attacked unnamed beliefs which ignore God and "poison the wheels of truth and justice."

"In that tradition of Christian experience which by the circumstances of history has come to bear the name of Anglican, we are united in a common loyalty and devotion," he said.

Archbishop Fisher, in his rich embroidered robes, walked the length of the cathedral in the climax to a pageantry made up of two processions which earlier had taken their places on either side of the high altar.

Overnight Entries For Lansdowne Park

VANCOUVER (CP)—Lansdowne Park entries, fourth day, Saturday, July 3:

First race—Purse \$800, maiden three-year-olds and up, six furlongs:

*Liberty Fleet (Moncrief) 115
Desert Band (Noffsinger) 107
Happy Bob (Coppertoll) 115
Meander In (R. Summers) 109
Watador (no boy) 120
Log Drive (Stoddard) 120
*Jury Call (Moncrief) 110
Alice Walker (T. Johnson) 106
Lee Pap (Martin) 110
Gordina (no boy) 102

Also eligible:

*Land Boss (no boy) 115
Sir Gallator (Johnson) 115
Speedy Lass (Beasley) 110
Count Ace (Gomez) 120

Second race—Claiming, \$800, four-year-olds and up, foaled in Canada, six furlongs:

Dalmahoy (Martin) 115
Still Time (Gomez) 115
*Sharabi (Martin) 110
*Miss Hominy (Moncrief) 105
Khedive Star (Beasley) 115
Friarworth (Coppertoll) 115
Ascot Maid (Noffsinger) 110
Rock Steady (Wilson) 112

Third race—Allowance \$800, three-year-olds and up, six furlongs:

Wild Deer (Johnson) 107
Kinsail (Noffsinger) 112
Hasty Help (Beasley) 112
Midkapi (Williams) 110
Displayer (Johnson) 120
*Jet Cord (Moncrief) 112
Winkup (Gomez) 117
Ethel Valley (Stoddard) 112
Sun Veil (Martin) 110

Fourth race—Allowance \$800, three-year-olds and up, six furlongs:

Saloptic Johnson 105
Ladner Lad (Simons) 112
*Sir Marquette (Robertson) 112
Isaqueen (Stocum) 110
Western Comet (Stoddard) 112
Kelowna Belle (Summers) 105
*Sparkling Blue (Martin) 112
Bandra (Noffsinger) 112

Fifth Race—Allowance \$800, four-year-olds and up, six furlongs:

Van Vic (Summers) 108
Lord Pebble (Stocum) 110
*Lamohr (no boy) 110
*Assayer (Robertson) 105
Worth Silver (Godley) 120
*Defer (Martin) 110
*Joan Dumidi (Moncrief) 103

Sixth Race—Claiming, \$800, four-year-olds and up, one mile:

*Point Ration (Martin) 115
Chance Bona (Nowell) 120
*Cockles (Moncrief) 115
Jubilynn (Summers) 115
Red Chalk (Godley) 120
Jitterbug (Coppertoll) 120
Shasta King (Stoddard) 115

Seventh Race—Allowance \$1,000, three-year-olds and up, six furlongs:

Sergeant Don (Beasley) 120
Spangle Cock (Summers) 120
Adonne (Noffsinger) 112

*Franklin K (Stein) 110
Moose Jaw (Johnson) 120
Nalod (Johnson) 120
Carm's Victory (Williams) 120
Pineworth (Martin) 110
Polly Wales (Stoddard) 115

Eighth Race—Allowance, \$800, for three-year-olds and up, six furlongs:

Pondo Pete (Gomez) 111
Captain Doo (Beasley) 111
*Tropic Sun (Millman) 111
Dry Land (Godley) 115
Savage Sailor (Stoddard) 116
Count Galreigh Summers 115
Elitorada (S. Martin) 110
*Winhedid (no boy) 110
Timber Maid (no boy) 111
Burnabyboy (Beasley) 111

Also eligible:

Lady Ginger (Robertson) 106
*Rollaway (no boy) 115
Goldenworth (Johnson) 106

Weather clear, track fast.

First post 2:30 p.m.

*Apprentice allowance claimed.

During July and August, supreme court chambers will be held every Monday in Vancouver, Tuesday in New Westminster and Wednesday in Victoria, court officials have announced.

Mr. Justice N. W. Whittaker will preside throughout July and Mr. Justice H. S. Wood in August.

13 New Fires In Vancouver Area But Hazard Generally Improved

Forest protection officers today reported a general improvement in the forest fire situation in British Columbia, although several fires are still burning.

In the Vancouver forest district, which includes all Vancouver Island, 13 new fires occurred Thursday. Nine of these were on the P.G.E. route and all but one is extinguished.

The suppression crew at Langford extinguished an outbreak in that area while another fire five miles north of Oyster River on Vancouver Island is extinguished.

A fire at Warner Bay, on Seymour Inlet, has been held after burning through one and a half acres of felled and bucked timber. It is on the timber sale of Dolman Logging Co., Vancouver.

Both of the two large fires on the Vancouver Island areas are being held today.

In the Sayward forest fire on the properties of the Granite Bay Logging Company at Bear Lake has been controlled. Fire lines have been constructed on the northwest and south side of the fire and on the east bulldozers are pushing through the bush to build a fire line there. Barring a strong wind it is expected the fire lines will hold.

Many Use Holiday To Travel By Sea, Land, Air

Dominion Day was a good day for Victoria's transportation companies all of which report increased travel over the holiday.

Vancouver Island Coach Lines Ltd. reported today that their business was heavier on the local runs out to nearby resorts such as Thetis Lake and Cordova Bay. Up-island travel, although increased, was not as great as previous years, company officials reported.

Black Ball Ferry Line offices reported very good travel on the Mv. Chinook, with many Canadians taking a long weekend and journeying to the U.S., particularly Port Angeles. There was also a good movement of Americans coming up to Victoria.

The C.P.R.'s B.C. Coast Steamship Service said travel was exceptionally good, particularly between Victoria and Vancouver, although not so heavy between Victoria and Seattle.

EXTRA FLIGHTS

Trans-Canada Airlines, however, found travel only a little heavier than usual. Two extra flights were put on the Victoria-Vancouver run. The airline is expecting the travel to be much heavier during the coming week-end and look to the Victoria-Seattle service for this, with U.S. travelers coming here for the week-end and returning for the Monday when, according to calendars, Americans will celebrate July 4 one day late.

The general private travel picture was good, too, and observers report a good deal of traffic on the Island Highway with many motorists making the run to Duncan for the Dominion Day Carnival there.

U.B.C.M. Crowded Out Of Harrison Hotel

The B.C. Union of Municipalities will not hold its 1948 convention in September at Harrison Hot Springs as plans called for.

The union advised the city today the hotel at the Fraser Valley resort is sold out for that month but dates in October are available.

It was decided to hold the meeting at Harrison when a plan to meet aboard ship on a trip to Prince Rupert failed to win the support of a majority of cities and municipalities, members of the union.

Had Been Drinking

Evidence given at the opening of the County Court trial of Lorraine E. Kirk, charged with being unlawfully found in the dwelling of Miss Olga Bugyra at 111 Cambridge Street in the early morning hours of May 30 with the intent to commit theft, indicated accused had been drinking heavily.

Testimony given by accused, his wife and sister-in-law was that accused had been attending a party at the home of his mother and father and had been one of 11 persons to consume five bottles of gin.

Under questioning from counsel, W. B. Monteith, Kirk admitted: "I had more to drink than I should."

A service pension cheque made out to Edward Powell, Seaman's Institute, 106 Superior Street, was stolen from the mail slot behind the office desk of the institute building Thursday, city police reported.

17 Pupils Graduate To Belmont Jr. High

LANGFORD—Miss Ruth King, principal of Langford School, re-

ports the following 17 pupils have graduated to Junior Belmont High School: Edward Isacson, Rosemary Element, David Walker, Maxine Fraser, Bruce Payne, Kathleen Uricher, Loraine Rantz, Jo Anne Mallock, Tom Swanson, Maynard Savery, Warren Stittman, Ann Millward, June Longley, William Campbell, Norman Fraser, Frances Jeffrey and Elsie Brown.

ARENAWAY—Back of The Bay—B 4522

No Faith Broken,
Says Mainwaring Of
Rate Raise Demand

"We have not broken faith in making application for a fare increase," W. C. Mainwaring, vice-president of the B.C. Electric Railway Co. told members of Oak Bay council when he and Harold Husband, Vancouver Island Coach Lines Ltd. managing director, met with the councillors Wednesday evening to discuss the fare increase sought by the transportation companies.

Mr. Mainwaring defended the right of the transportation companies to seek a higher fare. "It is definitely stated in the franchise that we may apply for an increase," he told the council.

He said that his company was operating on a 35 per cent load capacity in Victoria, while it would be necessary for the company to operate on a 70 per cent load capacity to gain a reasonable return.

He pointed out that 50 per cent of the Victorians who ride the buses live within walking distance of the city centre and that many of those who either became used to walking or arranged to get rides from friends as a result of the street railwaymen's strike last November, were still using either method to get to work. However, a great majority want bus transportation back home and this, he explained, has resulted in overcrowding.

MINORITY MAKING FUSS

In discussing the question of passes, Mr. Mainwaring asserted that a vociferous minority was making the most fuss about the elimination of the \$1 weekly pass.

He argued that pass-holders were riding the buses for three or four cents a trip, with the result that the ticket and cash fare customers had to make up the difference.

He also charged that many pass-holders were allowing others to use their pass and said the company estimated there were as many as 26.7 to 30 rides taken on one pass. Insistence that the pass be retained could only result in a further increase in the ticket price, he asserted.

He pointed out to the councillors that the company had talked against passes during franchise discussions with civic officials, arguing even then that the idea was financially unsound.

He estimated that 10 per cent of the 50,000 persons using the transportation system over any given period were using the weekly passes.

OVERCROWDING

In discussing load capacity and overcrowding, Mr. Mainwaring said the cost per mile to the company was 41 to 42 cents and maintained there is too much equipment now for the amount of traffic it enjoys.

A reduction in mileage has to be worked out by the transportation companies and municipal transportation committees, he said, adding, however, that it would take time, and detailed study.

"It must be remembered that we are a long way ahead of the municipalities in conversion," he said. "We have done in seven months what was originally intended to do in 19 months. Schedules will take a lot of ironing out."

Moratorium Studied
For Flood Victims

The provincial government is considering introducing legislation at the special flood session of the Legislature next week to provide a moratorium on debts of farmers flooded off their properties during the recent high waters of the Fraser and other rivers.

How far the legislation will go if it is taken into the House is not yet known but if the legislation is brought down it will almost certainly provide for delay in payments for real estate.

Whether or not the moratorium should apply to payments for household furnishings and equipment is being discussed now.

The moratorium bill may be one of half a dozen pieces of legislation to be brought before the special session of the Legislature. The government is also planning to ask the Legislature for further borrowing powers to help finance rehabilitation of the flooded areas.

Crusher May Bring End To
Garbage On City Beaches

Victoria's beaches may be clear of tide-carried garbage soon.

Acting Mayor J. D. Hunter said today work will be started immediately on construction of a garbage crusher which the builders say will mangle the refuse to such an extent that it will sink when dumped in the straits.

The California construction firm of Fancher and Fancher, which is removing the city's street car rails, is building the crusher.

The job is being done on the understanding that if the city is not satisfied it will not be required to pay the costs of construction. Earlier in the year \$3,500 was set aside in the budget for the crusher.

A start on the machine has been delayed by difficulty in locating material required. The machine will run on rails and the city's garbage will pass between large drums before being loaded on barges for disposal at sea.

Acting Mayor Hunter said the builders believe the crusher will cut up grapefruit and orange peel, the two main offending types of garbage which wash up on the beaches, so small that they will sink.

"They are quite sure that the crusher will break bottles and mangle cans so that we won't see them back on the beaches," the Acting Mayor said.

It is expected the crusher will be in operation in six weeks.

Old-Age Pensioners Stress
Increasing Living Costs

Effects of the high cost of living on old age pensioners is stressed in a brief to be submitted to the federal government by the B.C. Old Age Pensioners' Organization.

Drawn up at the annual convention of the group, the eight-point document will be sent to Ottawa following the present recess.

RECOMMENDATIONS

Major recommendations include: To permit manufacture and sale of margarine; legislation to allow chiropractic treatments on the same terms as orthodox medical treatments; financial help to people who need hearing aids; allow husband and wife to receive the old age pension, although only one has reached the pension age. This was suggested pending reduction of the age limit. Establish a Dominion contributory pension plan; raise the old age and blind pensions to \$50 a month, and abolish the means test; make a uniform arrangement between federal, provincial and municipal governments that will ensure pensioners the best available free hospital, medical, dental and other health services; allow reasonable funeral expenses so there will be no suggestion of pauperism.

Singing Cowboys
Visit Victoria
On Western Tour

Some of the brightest shirts seen in Victoria for some time made their appearance on the city's streets this morning with the arrival of the Sons of the Pioneers' well-known purveyors of cowboy songs.

Bob Nolan, leader of the sextette, at the Strathcona Hotel today, reported that the organization, like Little Topsy, "just grewed." It started first in Los Angeles 16 years ago when seven young men, who just naturally liked singing, got together and began an organization which today is seen or heard in every part of the U.S. and Canada.

The seventh member, who is not with the visiting six, is the cowboy star Roy Rogers, for whose films, Bob Nolan and Tim Spencer, another of the group, write songs and words.

Bob estimates he and Tim average 40 songs a year for the Rogers' pictures.

In addition the group has its own transcription company which produces the records which are heard on 260 radio stations in Canada and the U.S. And the cowboy costume is no make-believe, according to Bob, who says everyone of the group can ride, and should be able to after appearing on horseback in about eight pictures a year for the past 15 years.

They write all their own songs, and these include some top favorites such as "Tumbling Tumbleweed," and that thirsty little number "Cool Waters."

Just so that they don't take life too easy, the group also has its own song publishing company and is under contract to Republic Pictures and RCA Victor.

Others in the group are Carl and Hugh Farr, Pat Brady and Lloyd Perryman.

The group which appears in Victoria for two days, is at present on a tour of southwestern Canada and the northwestern U.S. On completing that, they will go east, where, Bob says, cowboy songs, the only music they are interested in, is just as popular as here, particularly in the staid New England states.

Pleads Not Guilty

Cyril E. Clark entered a plea of not guilty today in city police court to a charge of being in unlawful possession of a bicycle, the property of the Colonist. He was remanded to Monday for trial by Magistrate H. C. Hall.

R.C.N. Ships To
Help U.S. Cruiser
Celebrate Here

Canadian warships, with flags and guns, will help the visiting U.S. cruiser Duluth celebrate Independence Day.

As Independence Day falls on Sunday, the traditional observance and celebration will be held the following day, Monday, and in this the Canadian ships will play their full part.

All Canadian naval vessels in Esquimalt harbor will officially observe the occasion, dressing ship in company with Duluth, and when the 12,000-ton U.S. cruiser fires a 21-gun national salute at noon Monday, the guns of H.M.C.S. Ontario will fire in unison.

Today, Saturday and Sunday Duluth is open to the public from 2 to 5 in the afternoon. She is berthed at the government jetty in Esquimalt Harbor and visitors are requested to enter through H.M.C.S. Naden's gates.

Duluth is commanded by Capt. Burton K. Davis, U.S.N., and is flying the flag of Rear Admiral Francis X. McInerney, U.S.N., commander Cruiser Division 15.

Flood Film Shown
To Civic Officials

Members of the City Council and the Victoria Flood Relief Committee were guests at the showing of the B.C. Electric's new documentary film "Operation Overflow" depicting flood scenes in the Fraser Valley last month.

The 16 mm. sound film is available for public showing through the company's public relations department.

Only 22 Violent Deaths On Canada's 81st Birthday

By CANADIAN PRESS

Canadians enjoyed a comparatively safe and sane Dominion Day.

A Canadian Press country-wide survey showed a relatively light fatality toll: 22, compared with 98 in last year's longer week-end celebration.

Three of the deaths were in a plane crash near Chapleau in northern Ontario. Two were those of Quebec men believed shot by hitchhikers whom they had given a lift.

Except for rain in parts of New Brunswick and Alberta, the weather for Canada's 81st birthday was good. The sun shone and skies were blue for picnics, sports days, regattas, baseball games and horse racing cards.

Many Canadians continued the celebration today and planned to carry it through the week-end. They were employees of firms which closed Wednesday night for a long week-end.

By Thursday night U.S. cars were flocking across the border as their owners started early on the July 4 Independence Day observance.

The low fatality toll indicated Canadians had taken to heart the preholiday warnings about using care on the highways and in the water.

Ontario reported 10 violent deaths, Quebec six, Nova Scotia

three, and Manitoba, Saskatchewan and British Columbia one each. In all, plane crashes took four lives, traffic deaths seven, drownings nine and the Quebec shooting two.

Mary Zapotochny, 21, of Komarno, Man., north of Winnipeg, was killed when a car overturned on the Stoney Mountain road. Her sister, Sophie, 18, and R. J. Stewart of Winnipeg, was injured.

CYCLIST KILLED

Milton Dibblee, 21, of Ladner, B.C., was killed when a motorcycle went out of control on a Ladner track and crashed into a fence.

The Chapleau plane crash victims were John Oltean of Welland, Ont., and Mrs. Lyla Chambers and Lillian McCorkill, both of Chapleau.

Drowning victims included Ann Weighman, 10, Regina. In Ottawa the Governor-General and Viscountess Alexander received more than 3,000 diplomats and high government officials at a garden party at Rideau Hall.

Members of the Canada Club in London entertained Prince Philip at a dinner. A message was read from Prime Minister King saying a warm welcome awaits Princess Elizabeth and Prince Philip whenever they are able to visit Canada.

Attention Turned To Convention During Last Minutes Of Session

OTTAWA (CP)—Attention of the forthcoming Liberal national convention here which will name a successor to Prime Minister King, during the closing sitting of the Parliament.

The session ended at 11:50 p.m. Wednesday—10 minutes before Canada's 81st birthday.

Prime Minister King introduced the topic in the House when he declared "without any reservation" that he would not be Liberal leader or Prime Minister at the next session. He'd be the private member from the Ontario constituency of Glengarry.

Of course—to be on the safe side—he did concede that world "circumstances" might force him to remain in office. That was interpreted as a reference to the possibility of war. But he made it clear that, barring some unusual emergency, he would hand over the prime ministership to the new leader within a few "odd weeks" or a month of two after the August convention.

Unsettled world conditions were the keynote of the Speech From the Throne, read by Chief Justice Rinfret, deputy governor-general, at the end of the prorogation ceremony in the Senate chamber.

"Instead of the closer co-operation which had been hoped for between all nations, the cleavage between certain nations of eastern Europe and nations of the western world has become increasingly marked," said the speech.

"Canada has continued, as op-

portunity has afforded, to further effective organization for international peace and security. My ministers have made clear our country's intention to assist in maintaining a preponderance of strength on the side of the preservation of freedom."

Bills given royal assent Wednesday night brought to 393 the number adopted at the 209-day session. One was the government's supply bill, authorizing the \$2,182,000,000 appropriations for the 1948-49 fiscal year.

Mr. King's valedictory speech was an extemporaneous one which few members had expected. Applause from the public galleries mixed with a round of desk-thumping by Commons as he left the chamber.

"This is the last night that I expect to be in the House in the position which I now hold," he had said quietly.

Spokane Gets Tiger

SPOKANE (AP)—Bob Hedington, Tacoma third baseman last season, has been signed by the Spokane Indians baseball team as an outfielder and utility infielder, business manager John Cassidy said today.

Hedington hit .339 for Tacoma last season, but refused to report to the Tigers this year and had been out of action in the Western International League so far this season. Spokane purchased him from Tacoma.

It takes more than kisses to keep a man happy! If you want your man always to be proud of you... if you want always to look your youngest, slimmest, and loveliest... you must watch your diet! And, in any diet to gain a lovely figure, you should eat certain special foods because of their vital "protective" qualities.

That's why Kellogg's All-Bran is included in scientific weight-control menus. All-Bran is made only from

the outer layers of the wheat grain. This is the vital part so rich in iron and certain other "protective" food elements your body must have. Not only is All-Bran a "protective" food but it is guaranteed, on a double-your-money-back basis, to keep you regular naturally. Such natural regularity is always advisable, diet or no diet.

Make up your mind to take better care of yourself. Start eating All-Bran today.

Cheers For Attlee In Commons As Dock Strike Ends

LONDON (CP)—In July, the Labor government will complete three years in office with the diffident Clement Attlee as its knight in shining armor.

For these years of trial, the unspectacular Prime Minister has kept his team together, reconciling left and right elements, even in his cabinet. Protesting "I am not much good at publicity," he disappointed Socialists who wanted a colorful leader to offset his predecessor, Winston Churchill. Lately he has come into his own.

The measure of his success was a spontaneous cheer when he entered the House of Commons Tuesday. The night before in a radio appeal, he asked striking London dockers to return to work for the sake of the country and their mates.

He tugged at Britons' imagination by an amiable reminder to the strikers of what they had gained in security of employment, better wages and conciliation machinery.

Applause by the Commons indicated it gave Attlee part of the credit for the decision of the dockers to return to work.

LOOK FORWARD TO 1950

Most Labor supporters say almost belligerently that Attlee must be their leader in the 1950 general election.

A popularity poll, conducted by the Conservative Daily Express this week, showed that 42 per cent of Socialists questioned wanted Attlee as their leader. The nearest contender was Foreign Secretary Bevin with 20 per cent.

"A great thing about Clem is that he never changes and he sticks to his program," a delegate said at the Scarborough Labor Party conference this year.

His ability to "stick" has become an important party asset as the election comes nearer. He is expected to continue to resist strong intra-party pressure for further experiments in nationalization before the next vote.

Attlee, backed by Morrison, Bevin and Sir Stafford Cripps, contends that the next two years will work in Labor's favor if he does nothing rash.

Social security provisions, full employment and long-term planning of national resources will provide benefits helpful to re-election if Attlee and his campaign strategists are right.

At 65, Attlee is more stooped and wears his plain, round spectacles more frequently, but his step is still light and his Commons replies during the question hour show a cheerful wit.

Sills New Manager Of Housing Office

John S. Sills, formerly branch property manager, will take over as branch manager of the Central Mortgage and Housing Corporation's Victoria office, it was learned today.

He will succeed Duncan K. Kennedy, who has been named by Education Minister W. T. Straith as chairman of the provincial assessment equalization board and adviser on school buildings to Mr. Straith. The appointment is dated July 1.

Announcement of the appointment of Mr. Sills was made by J. A. Jones, B.C. regional supervisor for the corporation.

Previous to coming to Victoria 15 months ago as branch property manager, Mr. Sills was administrator at Vancouver of the Wartime Housing Ltd., since absorbed by the Central Mortgage and Housing Corporation.

Serving as a radar technician in the R.C.A.F. during the war, Mr. Sills was attached to the R.A.F. in India.

Army Withdraws From Flood Areas

The army has withdrawn from the Fraser Valley flood areas, occupied weeks ago when the Fraser River began to overflow its banks, and the B.C. Police are taking over.

The army pulled out after Attorney-General Gordon S. Wismer told military authorities to withdraw the troops when the river reached the 18-foot level on the Mission gauge.

Premier Byron Johnson said that the B.C. Flood Relief Committee likewise has withdrawn.

Work on the dikes is being turned over by the army to the dikeing authority, comprising F. G. Goodspeed and Bruce Dixon.

The Provincial Fraser River Rehabilitation Commission of W. L. Macken & Co. D'Arcy Baldwin, is taking over all work in connection with rehabilitation and getting people back into their homes.

Clubwomen's News
Summer Activities — Members of Victoria Chapter 25, Women of the Moose, held a strawberry tea last Wednesday at the home of Graduate Regent Violet Warren, followed by a moonlight cruise up the Gorge and later, a bingo game run by co-workers B. Dalzell, M. Illot and M. Shaw. Refreshments were served by co-workers Graduate Regent E. van Alpine and E. Young. Members of the chapter with members of Lodge 1390 journeyed to Duncan for installation of officers of Chapter 950, followed by a dance and banquet. Senior Regent Violet Warren presented a birthday cake and greetings at this ceremony. A business meeting will be held on July 15 at 8, when new committees will be formed. All escorts and members will attend.

Dental Assistants Name New Officers
Miss Margaret Briant was elected president of the Victoria Dental Assistants' Association, at a meeting held at the home of Miss Ruby Donald, Brentwood. Other officers are Miss Peggy Fox, vice-president; Miss Joyce Day, secretary; Miss Helen McMillan, treasurer; Miss Yvonne Taylor, program; Miss Beverly Moore, membership; Miss Jean McIver, social. Following the meeting, a picnic supper was served outdoors.

Visiting Lawyers' Wives To Be Entertained Here

Wives and daughters of out-of-town members of the British Columbia Section, Canadian Bar Association, meeting in Victoria next week, will be entertained at a number of social affairs during the two-day convention. In their honor, Mrs. C. H. O'Halloran will entertain with a coffee party at her Beach Drive home, next Friday morning at 11.30 and Friday afternoon, Mrs. J. B. Clearhue will be a tea hour hostess at her home on Hampshire Road. On Friday evening, a dinner is planned for the ladies in the

Princess Louise Room at the Empress Hotel, while their husbands meet at a dinner in the Union Club. The ladies will join with the men's group at an opening-day luncheon in the Crystal Garden on Thursday and a dinner and dance at the Colwood Golf Club, the same evening. Mrs. Robert Harvey is in charge of social arrangements, assisted by Mrs. Eric Pepler, Mrs. Carey Martin, Mrs. R. A. Wootton, Mrs. Sinclair Elliott, Mrs. J. R. McIlreath and Mrs. W. H. M. Haldane.

Commodore's Party

At conclusion of today's races in the Pacific International Yachting Regatta, Commodore Andrew Wright and Mrs. Wright will entertain at a cocktail party in the lounge at the Royal Victoria Yacht Club. An honored guest, with visiting yachtsmen and their ladies, will be Rear-Admiral Francis X. McInerney, U.S.N., commander cruiser division No. 15.

Miss Helen Silman, Yonbou, V.I., is spending her summer vacation with her parents, Mr. and Mrs. A. Silman, Glen Lake.

Mr. and Mrs. Morley M. Smith and their son, Morley Jr., of Vancouver, are visiting Mr. and Mrs. Earl Smith, Sooke Road, Sooke.

Early next week Magistrate and Mrs. H. C. Hall will have as their guests their son-in-law and daughter, Mr. and Mrs. R. M. Mather, who will come from West Vancouver with their children, Elena and Allan.

Mr. and Mrs. Lloyd Reynolds with their son and daughter, Norman and Lloy, motored from Edmonton, Alta., to spend a month on the island with Mrs. Reynolds' parents, Mr. and Mrs. Fred Tull, Cadboro Bay Road.

Mrs. J. T. Jones and Mrs. R. McInnes have returned to their homes here, following a trip by plane to Edmonton and to Jasper, where they attended the National Chapter Canadian Daughter's League meeting. On Mrs. Jones' return, she was hostess to Toronto visitors, Mrs. A. Lacy and Mrs. R. Fines, who are at present in Vancouver, en route to their homes.

At the wedding of the former Miss Mildred Staverman and Mr. Malcolm Howard Sutcliffe Wednesday evening, out-of-town guests included Miss Victoria Zabolotny of Montreal and Miss Fredericka of London, Ont.

Mr. Ronald George Knight, who is spending the summer months with his parents, Mr. and Mrs. E. G. Knight, 2313 Cranmore Road, has just been advised that he received second-class honors in Commerce at University of British Columbia earlier this summer.

Joy Winsby, John Skellern Principals At Noon Rites

At high noon today in Christ Church Cathedral, marriage vows were exchanged by Joy Kathleen Winsby and John Mitchell Skellern.

The quiet ceremony was performed by Dean Spencer Elliott, and united in marriage the only daughter of Mr. and Mrs. H. T. Winsby, 2575 Cranmore Road, and the second son of Mrs. J. A. Skellern, 1239 Oliver Street, and the late Mr. Skellern.

With her afternoon dress of French blue crepe, which was fashioned with a sweetheart neckline, fitted bodice and graduating fullness in the skirt, the bride wore a picture hat of natural straw with mulberry trim. Her shoes were of mulberry suede, and she wore long white kid gloves.

Orange blossoms and pink roses, with candy tuft and sweet peas formed her spray bouquet.

Mr. Winsby gave his daughter in marriage.

Navy blue sheer was chosen by Miss Marian Skellern for the afternoon dress she wore to attend the bride. An inset of taffeta highlighted the full skirt. With it she wore a rolled-brim white hat with navy trim, and she carried an arm bouquet of multicolored gladioli.

Robert Van Horne was best man for the groom.

Alan Holmes came from Vancouver to offer the toast to the bride at the reception following the ceremony in Oak Bay Beach Hotel.

The new Mr. and Mrs. Skellern will spend their honeymoon traveling in the United States. As she left, the bride was wearing a suit of pale aqua gabardine with matching hat, and a topcoat of lemon beige gabardine.

The couple will return to make their home in Victoria.

Jeanne Stewart, John Mason Have Seattle Honeymoon

Traveling in Seattle and the mainland are John Dexter Mason and his bride the former Jeanne Stewart, whose marriage was solemnized Wednesday at 8 by Rev. George Biddle.

The bride is the daughter of Mrs. R. C. Miller, Calgary, and the late E. D. Stewart. Her groom's parents are Mr. and Mrs. W. G. Mason, 1916 Belmont Avenue.

Baskets of colorful summer flowers and pink and white bows on guest pews decorated St. John's Church, where the bride was given in marriage by her stepfather, Mr. Miller.

Her off-the-shoulder gown of slipper satin was fashioned with lily-point sleeves, the bodice embellished in floral design, and seed pearls trimming the satin neckline. Orange blossoms held her finger-tip veil and she carried red roses and carnations in a showering bouquet. A single strand of pearls was her only jewelry.

Tiny flower girls, Susan Mason, sister of the groom in turquoise green net over satin, and Patricia Miller, the bride's sister, in a similar frock of yellow, headed the bridal procession. They wore halo hats to match their gowns, and carried nosegays of pink and blue carnations.

Carrying Colonial bouquets of peach and white carnations and mauve sweet peas, Miss Pat Mason, sister of the groom, and Miss Florence Larinde, attended the bride. Their gowns were of peach taffeta to match the band of carnations in their hair.

Donald Mason was his brother's groomsmen. Ushers were Ernie Hume, and Capt. Stanley Fraser Jr. Arthur Price sang "Through the Years" while the couple signed the register.

At the reception which followed at the Hard of Hearing Hall, Douglas Street, Mrs. Miller and Mrs. Mason assisted in receiving guests. Toast was given the bride by Ernie Hume.

A three-tier wedding cake encircled with pink rosebuds centered the lace-covered table. As the couple left on their wedding trip, the bride was wearing a gabardine suit in

Don't Let Wrinkles Tell Your Age!
You don't need to let fine lines and wrinkles make your face look older than you feel! Yes, you can fight wrinkles with the amazing skin tightener, new *Saxolite Astringent Cream*. It helps firm your skin, goes to work right away to close up those tell-tale wrinkles, makes your skin feel refreshed, youthful-looking. It's a wonderful powder base, too, for it dries so smoothly and evenly. Start now to firm and tighten soft skin surfaces the safe, sure way!

Club Calendar

The Sketch Club, Island Arts and Crafts Society, guests of Miss Maude Lettice, "Yaxley," 1120 Faithful Street, Monday. Members take South Fairfield bus to corner of Cook and Faithful Streets.

Women's Benefit Association, No. 1, Monday, at K. of P. Hall, Cormorant Street, at 7.30. Social evening follows business.

Back To Ear Muffs

SYDNEY, Australia (CP) — "Ear muffs" are becoming a popular hair style in Australia although hairdressers point out that they are just as old-fashioned as the so-called New Look. The "muffs" are clusters of curls about the ears and look particularly attractive under large hats.

Present Original Fashions At Oak Bay Garden Party

A red plaid suit and hat, all made from one kilt; a bolero suit made of a navy topcoat; an evening coat made of a beautiful old Spanish shawl; a three-piece suit made of hand-woven wool, as well as a wide variety of afternoon dresses, evening gowns, suits and children's clothes were modeled at a garden party at the home of Mrs. Stanley Haynes, 1370 Oliver Street, Wednesday afternoon.

The ingenious transformations and smart new garments are the work of the 24 members of the sewing class of Oak Bay Community Club, under the direction of Mrs. M. Crossley.

Following the opening of their fete by R. A. Wootton, reeve of Oak Bay, clothes were modeled on the lawns by members and their children in the shade of the large oak trees, making a delightful setting for the summer prints and play clothes shown.

First in the show were a group of children's clothes made at the classes. Among these were a yellow broadcloth ballerina style summer frock; a canary yellow sunsuit, a coral print with very full skirt, and a two-tone Gibson girl dress.

Part of a three-piece suit, of which the jacket and skirt were modeled later, were the expertly-tailored plaid slacks also shown.

In the group of children's clothes. A versatile four-piece playsuit was first in the adult sportswear group. Under the skirt and blouse were a halter-top and shorts.

A circular skirt with wide cummerbund waistline were featured on the afternoon dress of imported silk print outstanding in the group of afternoon dresses. Another attractive dress was a demure green and white check taffeta.

In the suit class were a smart black gabardine double-breasted suit with a peplum on the long jacket, and another with pencil skirt and loose-box jacket, useful as a shortie coat as well.

For evening wear, members of the class have made an Alice blue strapless gown with full skirt, a black dinner gown, and a lovely gown of heavy white crepe. Also modeled was an evening coat of blue velvet, with hood attached.

Following the fashion show, tea was served on the side lawn, by a committee under the convener of Mrs. H. S. Jones, Mrs. J. Laughton, Mrs. J. Doe and Mrs. C. R. Stonehouse.

A home cooking stall was convened by Mrs. Bert Challoner and Mrs. George Stokes. Mrs. John Walker sold raffle tickets.

General conveners of the fete were Mrs. Walter Miles, Mrs. A. Pollard and Mrs. E. Pentey.

In appreciation of her help and guidance, a gift was presented to Mrs. Crossley by the group. All proceeds will go towards purchase of new equipment for classes.

LONDON — Ostrich feathers will be a feature of British women's summer hat styles, says John Van Duren, 63, of South Africa, who left for the Transvaal with orders for 20,000 plumes.

Esquimalt Garden Scene Of Fete

A picturesque lily pool surrounded by beds of bright summer blossoms against a background of tall cypress trees was the attractive setting at the home of Mr. and Mrs. Thomas Hadfield, 354 Lampson Street, for the garden party held by members of Esquimalt Chapter, I.O.D.E., Wednesday afternoon.

Mrs. Warren Smith, regent, and general convener, welcomed guests with Mrs. Hadfield.

Special guests were Mrs. Byron Johnson, wife of the Premier of British Columbia; Mrs. W. C. Nichol, second vice-president, Provincial Chapter, I.O.D.E.; Mrs. E. V. Finland and Mr. Thomas, Reeve of Esquimalt.

Municipal regent, Mrs. J. L. Ford, wearing a pale blue figured afternoon frock, officially opened the fete, expressing best wishes for its success. She was presented with a colonial bouquet by little Daphne Sluget, granddaughter of Mrs. Hadfield.

Dainty knitted baby-wear, beautiful hand-crocheted cloths, and dollies, knitted stockings and aprons attracted many guests to the needlecraft stall, in charge of Mrs. A. G. Fulmer and Mrs. H. Baker. Popular too, was the home cooking booth with its display of jams and jellies, cakes and cookies, managed by Mrs. J. Bryant, assisted by Mrs. J. Corry. Members of H.M.C.S. Naden Junior Chapter, with their regent Mrs. J. T. Jones, were in charge of home-made candy.

Afternoon tea was served by members of Esquimalt Girl Guides at individual tables set on the lawn. In charge of tea arrangements were Mrs. J. Halstead and Mrs. W. E. Akenhead.

Guests were entertained with several dance numbers by pupils of Miss Velda Wille. Proceeds of the affair amounted to \$135. Mrs. A. Warder was in charge of gate receipts.

Bridegrooms Once Wore Nightgowns

Back around 1650, bridegrooms wore wedding nightgowns, too. This specimen, shown at a Newport, R.I., hobby show, comes complete with bonnet. It's one of hundreds owned by Mrs. Oliver Cushman. Her niece, Barbara Dawley, models companion woman's nightgown.

Great-Grandmother's Veil Worn With Wedding Ensemble

The heirloom veil of lace which Marjorie Grace Boorman wore with her traditional ivory satin wedding gown for her marriage to Ross Kenneth Sturgeon Wednesday evening was also worn by her great-grandmother at her wedding.

The bridal gown was fashioned with full skirt and fitted bodice and the bride wore a diamond pendant, a wedding gift from the groom. Her shower bouquet of Pink Delight roses was tied with white satin streamers.

She is the daughter of Mr. and Mrs. Percy Boorman, 3148 Shebourne Street, and her groom is the son of Mr. and Mrs. K. M. Sturgeon, 1625 Cedar Hill Cross Road.

The nuptial service was read by Rev. T. G. Griffiths in St. Aidan's United Church, which was decorated for the occasion with tall baskets of madonna lilies and gladioli.

A full choir was in attendance during the ceremony, to sing "O Perfect Love," accompanied by Mrs. D. L. Gilbert at the piano. Miss Marion Inglis sang "The Lord's Prayer," during the signing of the register, and the bride's father, who gave her in marriage, played Mendelssohn's wedding march as the bridal party left the church.

Mrs. Gertrude Ritz was matron of honor, and wore a gown of turquoise satin. Her arm bouquet was of Johanna Hill roses and pink carnations. Mrs. Deana Tibbitt and Miss Shirley Sturgeon, secondary attendants, wore gowns of peach taffeta and pink

chiffon respectively, and carried bouquets of delphiniums, a baby gladioli and carnations.

Jack Griffiths was best man for the groom and ushers were Kenneth Burkinshaw, Harry Tibbitt and Ralph Pennell.

Sweetpeas and maiden hair fern with sweetheart roses decorated The Ranch at Mt. Douglas for the reception which followed the ceremony. Mrs. Boorman and Mrs. Sturgeon assisted in welcoming guests, and a toast to the bride was proposed by D. L. Gilbert.

Honeymoon destination of the couple is Calgary, Alberta. For traveling the bride chose a brown gabardine suit with tan topcoat and an off-the-face hat of brown straw. Her corsage bouquet was of talisman roses.

The new Mr. and Mrs. Sturgeon will return to live in Victoria.

Maid Sits Down, Gets Six Months

BELFAST (CP) — Florence Johnston, 25-year-old maid, Dr. G. D. McFadden, because she staged a sitdown strike at the home of her Belfast employer, did not like her room.

The doctor called police and Florence, fresh from County Tyrone, was carried kicking to the police station. Later she was carried into court, still sitting. She sat on the floor of the dock, out of sight, and refused to speak.

"Seeing you have no interest in these proceedings," said the magistrate, "you will have a good rest—six months in Armagh gaol."

London Charwoman Makes Ocean Trip

SOUTHAMPTON, England (CP) — Mrs. Lillian Jennings, London charwoman, with the help of her friends, raised \$120 (\$480) for a trip to New York to see her daughter Irene who married an American sergeant in 1944.

"I've been on a boat once before," she said on arrival here, "and that was on a steamer from London Bridge down the river to Ramsgate. . . . When my daughter had a baby girl two years ago, I started saving in earnest. Then some of my neighbors started a fund to help me get across."

Fall Plans—At the regular meeting of Victoria District King's Daughters Monday plans were begun for a fall bazaar to be held in October. Miss J. Roberts and Miss B. Morley will be conveners. It was reported that the executive has sent \$25 to flood relief. Ministering Circle has sent a 15-pound box of food to Britain, and Ready-to-Help Circle has turned in 11 baby nightgowns for the Red Cross. Speedwell Circle, which has sent a parcel of useful articles to a family in Aberdeen, has also taken over the refurbishing of the King's Daughters Hut at Sunshine Camp. Members of Fellowship Circle are knitting squares for afghans.

Personal Notes

Mr. and Mrs. C. F. Moseley, Glen Lake, have as their guests, Mrs. I. B. Hutchinson, of Vancouver, with her two children, Kent and Diane.

Elizabethan Room at the Empress Hotel, was the scene of a no-host tea Monday afternoon, when 40 friends of the former Mrs. Pearl Noble entertained on the occasion of her marriage to Mr. Sam Saunders, which took place Tuesday. Pink roses en corsage and a cut glass sherbet set were presented to the honor guest.

Dr. and Mrs. William L. Ford with their children, Arden and Stephanie, have traveled from their home in Woods Hole, Mass., to spend a month in the city. While here, they are visiting Mrs. Ford's parents, Mr. and Mrs. T. A. MacMahon, Stanward Avenue, and Dr. Ford's mother, Mrs. J. L. Ford, 14 Linden Avenue.

Miss Margaret Embling, a July bride-elect, was honored at a surprise shower at the home of Miss V. Freeborn, 715 Wilson Street. Hilda Hutchinson presented gifts from the guests and a corsage bouquet of rosebuds and sweet peas to the honor guest. Others present were Mrs. L. Embling and Mrs. L. Hingley, mothers of the bride-elect and her fiancé; Mesdames M. Patterson, I. Gosnell, P. Joannisse, E. Hutchinson, K. Howe, V. Flint, L. Robinson and the Misses J. Pearce, R. Such, E. Hingley and N. Embling.

Honoring Miss Lawrian Fieldhouse, whose marriage to Mr. D. J. James Massie takes place Saturday evening, Mrs. George Massie entertained friends at her home at Langford, Tuesday afternoon, at a surprise kitchen shower. Grandsons of Mrs. Massie, Stanley and Billy Robertson, presented gifts and a corsage bouquet of roses to Miss Fieldhouse. Mrs. H. M. McKenzie and Mrs. H. A. Hincks presided at the tea urns, while Mrs. E. F. Le Quesne and Mrs. E. Braithwaite assisted in serving. Other guests were Mesdames L. Fieldhouse, E. Goucher, G. E. Glenn, G. Ham, A. Cooper, H. Pike, N. Bedard, C. G. Carnegie, M. Elliott, G. C. Gray, A. Olson, W. Scafe and Mrs. Patrick Robertson, Port Renfrew.

To honor Miss Grace Cook, who tomorrow morning at an 11 o'clock ceremony in St. John's Church will become Mrs. Douglas Patterson, Mrs. Ross Hocking and Miss Jean Straight entertained Tuesday evening at the home of Mrs. E. M. Straight, 2060 Beach Drive. A posy of cornflowers and pink Iceland poppies was given the guest of honor, who later received a pair of pillow slips from the guests. Mrs. Straight presided at the refreshment table, which was arranged with a centerpiece of pink roses and lighted pink candles. Guests included Mrs. Jack Falconer, Mrs. Babs Norris, Vancouver; Mrs. D. Hadland, Mrs. Betty Cook and Miss Enid Fox.

Miss Joy Collins, whose marriage will take place this week, was guest of honor at a miscellaneous shower on Tuesday evening, given by Mrs. Robert W. Cross, Miss Vera Collins and Miss Barbara Ann Cross, as joint hostesses. Other guests were Mesdames J. W. Collins, Walter Cross, W. King, W. Green, A. Thomas, Oliver Stout, W. Farquhar, F. L. Collins, B. Temple, H. Croft, A. Brown, W. Wiley, Gordon Mitchell, Norman Collins, Ted Collins, D. Payne, S. Shaw, S. Feldon, E. Salisbury, Misses Lorraine Mitchell, Reta Armstrong, Ethel Armstrong, Anne Emery, Mary Lou Cross, Mildred Beatty, Dorothy Stout, Maureen Collins, Gail Collins, Master Robert Cross and Master Jimmie Collins.

"Set from Birks"

BIRKS DIAMOND SET Wedding Rings

The style now assumes importance in a Wedding Ring. In days past, it was a matter of how wide or how narrow the plain band would be. Now, an entire circle of diamonds may be chosen, or as many as desired.

WINS A CAR—LIVES AT SEA—Presented with the keys to a new Frazer Manhattan automobile, which he won last week at a carnival put on by the Optimist Club of Victoria, C. Gardiner, centre, mate aboard the tug Commodore, hasn't much use for it. "It's sure a swell car," he said. "But I'll be at sea most of the time and won't have an opportunity to use it." The car is valued at \$3,950. The keys were turned over at a ceremony Wednesday by Harry Rennie, left, Optimist Club president. Right is Howard Jones, publicity chairman of the carnival committee.

Liberal Convention Takes Spotlight Now Session Over

OTTAWA (CP)—Interest in the approaching national Liberal convention engaged the capital today as the session of Parliament and all its attendant functions faded into the past.

Liberal headquarters has become a beehive of activity with just a little more than a month before the three-day convention opens Aug. 5. Preparations are being accelerated for the reception of more than 1,000 party delegates to fashion a new party platform and choose a successor to Prime Minister King.

Spicing organization activity is speculation about possible candidates for the leadership. Also rife are rumors when the 73-year-old Prime Minister will step down from that office once the convention has decided on his successor as party leader.

Mr. King sought to clarify his intentions in a farewell speech before Parliament prorogued Wednesday night.

He told government and opposition members that he could

declare "without any reservation" that he would be out of both offices by the time Parliament meets again next spring.

In fact he would give the Governor-General his resignation as Prime Minister a few "odd" weeks or a month or two after the convention.

But there was a reservation—world "circumstances" (interpreted as the remote possibility of war) might force him to remain in office longer. Barring these "circumstances," he would not tarry long as government leader.

2 CANDIDATES

Meanwhile there were two candidates who might appear definitely in the running for the leadership—External Affairs Minister St. Laurent, 66, and Agriculture Minister Gardiner, 64.

But in the event of a deadlock there were others on the horizon. The group included such cabinet "stars" as Defence Minister Claxton, Health Minister Martin, Finance Minister Abbott, Transport Minister Chevrier and Trade Minister Howe. Either Premier Garson of Manitoba or Premier Macdonald of Nova Scotia, or both, might decide to run the race.

Whatever its results, the grand old man of politics, 73-year-old Mackenzie King, in the next session of Parliament would be the private member for the Ontario constituency of Glengarry.

10 Local Officers Promoted By Navy In Half-Year List

Ten local officers are included in the half-yearly promotion list of names of senior officers of the Royal Canadian Navy, issued in Ottawa by Defence Minister Brooke Claxton.

Heading the list is Commodore Wallace B. Creery, C.B.E., A.D.C., who is promoted from captain. Commodore Creery leaves his command of H.M.C.S. Royal Roads, Aug. 24, to become Chief of Naval Personnel.

Other local promotions are: To be commander: Lt.-Cmdr. Howard L. Quinn, D.S.C., first lieutenant, H.M.C.S. Naden, 290 King George Terrace; Lt.-Cmdr. Eric E. G. Boak, D.S.C., navigating officer, H.M.C.S. Magnificent, 1070 Joan Crescent.

To be captain (engineer): Cmdr. (E) Cecil I. Hinchcliffe, O.B.E., R.D., co-ordinator of ship repairs, Naval Service Headquarters, of Victoria.

To be commander (engineer): Lt.-Cmdr. (E) Ivor J. L. Palmer, O.B.E., engineer officer (Reserve Fleet), H.M.C.S. Rockcliffe, 3341 Cedar Hill Road.

To be instructor-captain: Instructor Cmdr. William Ogle, director of studies, H.M.C.S. Royal Roads.

To be instructor-commander: Lt.-Cmdr. J. D. Armstrong, senior schoolmaster, H.M.C.S. Royal Roads, 3940 Prestwood Road.

To be surgeon-commander: Acting Surgeon-Cmdr. George Chapman, principal medical officer, H.M.C.S. Ontario.

To be commander (S): Acting Cmdr. (S) Henry A. McCandless, director of naval pay accounting, N.S.H.Q., of Victoria.

SATIN-GLO ENAMEL

FOR EVERY PURPOSE

WHAT EVERY BIG BROTHER DREAMS OF—Big brother Paul Eck of La Grange, Ill., jumped at the invitation to appear in the La Grange kiddie pet show. He didn't have any real pets, but he had a good idea. Paul dressed up like a wild man, and dressed his young sisters, Cynthia and Nancy, as "pygmy women." Mother's old furs came in handy. With his caged sisters making ferocious faces, Paul and his pygmies were hit of the show.

Saanich Drafts By-Law For \$450,000 Road Building

At Saanich Municipal Hall, Royal Oak, the money by-law to be presented to the ratepayers to ward the end of the month to give roads throughout the municipality a solid and "new look" has been drafted.

The B.C. Department of Public Works has put its stamp of approval on the program. It will cost \$492,810. Construction work will be completed in five years time. The bond issue will be paid for over a period of 10 years.

"This is not a new road construction scheme," explained H. D. Dawson, municipal engineer. "It is for the reconstruction of existing main roads—a program to totally rehabilitate them into first-class arteries."

60 CENTS A MONTH

The estimated cost per ratepayer each month for the project is 60 cents and it will provide a good, solid road within a couple of blocks of almost every home in Saanich.

"If this program gets the approval of the ratepayers, it will mean that the \$12,000 annual appropriation for ward road work can be utilized in the improving and maintenance of the secondary roads in the municipality," the engineer explained.

Up to now the lion's share of the yearly allotment for roads was eaten up by work needed on the main thoroughfares.

NEEDED EQUIPMENT

Under the program Saanich will purchase badly needed equipment for road construction work, \$70,000 worth "which will outlast the period of the construction plan by a big margin," said the engineer. New equipment includes a gravel pit crusher and classifier, heavy loader and roller and other small equipment.

Ward 1 tops the list for total expenditure under the plan, \$83,406 to be spent. Ward 5 is second with \$81,788 earmarked in this area, Ward 4 third with \$80,429. In Ward 7 expenditure is \$72,297. The program cost in Ward 3 is \$60,155, and \$58,000 in Ward 6 and \$56,052 in Ward 2.

Proposed expenditures in Wards follow:

WARD 1

A—Maplewood, Blenkinsop (through Ward), 11,500 feet, \$31,625; B—Cedar Hill Cross Road (Reynolds to Oak Bay Boundary), 8,005, \$20,012; B—Richmond (Mayfair Drive to Cedar Hill Cross Road), 2,700, \$6,750; L—Richmond (Newton to Lansdowne widening), 2,700, \$2,565; D—Cedar Hill Road (city boundary to Rowan), 3,800, \$5,700; B—Reynolds, 2,800, \$6,500; F—Richmond (Lansdowne to city boundary), 4,700, \$1,504; B—Lansdowne (total Saanich length), 2,600, \$6,500; G—McKenzie (Saanich Road to Quadra), 1,500, \$2,250. Total \$83,406.

Jensen Slides In Safe

Smashing a long triple to left field in the first inning of yesterday afternoon's baseball game with Tacoma, Victoria third sacker Babe Jensen had to hit the dirt at third base. Tacoma infielder is Larry Lee. Jensen had a big day with the stick, getting eight hits in 10 trips to the plate, to boost his average up around the .350 mark.

Silburn, Mitchell, Salmond Picked For Olympic Trials

VANCOUVER (CP)—British Columbia will send 18 top-flight coast athletes to represent Zone Four at the Canadian Olympic trials in Montreal, July 9 and 10.

The cream of B.C. field and track stars, 12 men and six women, will leave here by Canadian Pacific Railway Friday night, B.C. Olympic selection officials announced last night.

Selection followed the Zone Four trials completed here Thursday. Contenders for the 100 and 200-metre berths will be Wally Alexander, Vancouver; Harry Mitchell, Victoria; Daryl Rouleau, Mission, and Chick Turner, University of B.C. Jim Lavery, Calgary; Ed. Hen-

ELAINE SILBURN

niger, U.B.C., and Jack Burnery, Vancouver, will vie in the 400-metre event.

In the 800-metre event, B.C. will field Jack Hutchins and Bill Parnell of Vancouver.

The 1,500-metre will be run by Cliff Salmond, Victoria, and Jack Hutchins, Vancouver. Salmond also runs in the 5,000-metre event with Bob Piercy, U.B.C.

The men's high jump entrant is Dave Blair, U.B.C., and Doug Robinson, Vancouver, will enter the pole vault competition. Javelin, discuss, hammer and shot

CLIFF SALMOND

The 100 and 200-metre sprint will be run by Diane Foster, Millie Cheater and Donna Gilmour, all of Vancouver.

Eighty-two track and field stars competed in the trials today, under a clear sky and fanned by a freshening breeze.

The track prowess and dazzling displays of the Olympic hopefuls were viewed by 3,000 spectators, many of them visiting policemen from 16 Pacific northwest United States who are in convention here.

One record was broken during the two-day zone meet. Yesterday, Cliff Salmond, 19-year-old

Victoria athlete, sheered almost five seconds off the Canadian Amateur Athletic Union record for the 5,000-metre run.

His time of 15:28.6 bettered the 15:28.8 mark Robert Rankine of Preston, Ont., set in 1932.

HARRY MITCHELL

Fred Rowell of University of British Columbia was the only contestant in the special decathlon event. With three events to be recorded, he was expected to poll the Olympic standard of 6,000 points.

Jim Lavery of Calgary, only prairie entry, captured the men's 400-metre sprint in 49.9 seconds, just sixth tenths of a second below the Olympic standard. He also placed in the 200-metre race.

Results, showing time recorded and the Olympic zone standard:

100-Metre sprint (11 seconds)—1, Daryl Rouleau, Mission, 11.1 seconds; 2, Wally Alexander, Vancouver; 3, Harry Mitchell, Victoria; 4, Roger Wellman, Vancouver.

200-Metre sprint (22.5 seconds)—1, Wally Alexander, 22.1 seconds; 2, Harry Mitchell, Victoria; 3, Roger Wellman, Vancouver.

500-Metre (4 minutes 5 seconds)—1, Cliff Salmond, Victoria, 4 minutes 5.6 seconds; 2, A. Bain, U.B.C.; 3, Richard Morgan, Kelowna, B.C.

High jump (6 feet 1 1/2 inches)—1, Dave Blair, U.B.C.; 2, Don Wilson, Victoria.

Pole vault (12 feet 5 inches)—1, Doug Robinson, unattached, 12 feet 5 inches; 2, Dennis Nickerson, U.B.C.; 3, Don Wilson, Victoria.

WOMEN'S EVENTS

High jump (5 feet)—1, Shirley Gordon, Vancouver, 5 feet 3 inches; 2, Pat Fleming, Victoria, 4 feet 10 inches.

Broad jump (17 feet 6 inches)—1, Elaine Silburn, Victoria, 17 feet 7 inches (the Canadian open A.A.U. record established in 1928 by Fanny Rosenfeld is 18 feet 3 inches); 2, Jacqueline Paterson, Vancouver, 16 feet 8 inches.

5,000 Metres (16 minutes)—1, Cliff Salmond, Victoria, 15 minutes 28.6 seconds (this time topped the Canadian A.A.U. record of 15 minutes 29.4 seconds set by Robert Rankine of Preston, Ont., in 1932); 2, Bob Piercy, U.B.C., 15 minutes 28.1 seconds.

FINE SPORTSWEAR For The Whole Family

W. & J. WILSON

Balassi's Grand Slam Homer Features

A's Come From Behind To Blast Tacoma 16 To 8, Split Holiday Baseball

Highlighted by Charlie Balassi's inside the park home run, with the bases jammed, Victoria Athletics staged a great seven-run uprising in the seventh inning and go on to blast Tacoma 16 to 8 after being on the short end of an 8 to 1 score at the top of the third, in the night game of yesterday's holiday twin bill with the Western International League baseball leaders.

Tacoma edged out the A's 9 to 8 in the afternoon engagement, the Victoria club pasing up a couple of good chances to tie the score or go ahead and having a rally nipped on what looked like a bad call by plate umpire Last.

In the afternoon tilt, it was a mystery at times as to just where the two umpires were working, Abbey, on the bases, charging in at one time to give his opinion on a foul strike and Last ruling that Victoria pitcher Del Owens failed to touch second base to lose him an inside the park homer. The A's didn't get any of the best of it from the officials in either game and Manager Ted Norbert didn't forget to charge them several times protesting calls.

HOMER BARRAGE

With over 6,100 paid admissions for the two holiday fixtures most of the thrills were packed into the night affair. In the first

innings the Tacoma club cut loose with a home run barrage that threatened to blast the A's right out of the park. With two away and one man aboard Larry Lee got hold of one of Frank Logue's fat ones and parked it over the fence. Dick Greco followed with a long one over the right field wall. Joe Rossi got a walk and Hank Vallee kept up the parade with a third circuit blow. That was all for Logue and Al Goot took over.

In the fourth inning, with two runners on, Lee came up with his second home run in succession and the score was 8 to 1 with most of the fans looking forward to a one-sided defeat.

As Goot settled down to shut the door for three innings the A's went to work on Tacoma's Jim Gleason and his successor Angelo Venturini. Singles by Palmer, Jensen, Morgan and Walseth along with Buccola's triple were good for three runs in the fourth. Morgan's three-bagger combined with one-base knocks by Kubiak and Wilson along with a walk brought in three more in the fifth and the A's were only one run down.

After Venturini struck out the side in the sixth the roof caved in on him in the seventh. Kubiak led off with a double. Palmer sacrificed and Wilson got a hit. Jensen's single sent home the tying run and the crowd howled.

Morgan beat out a hit to deep short and Buccola walked to load the bags. Another pass to Walseth forced in a run. Propst was sent in to bat for Goot and struck out after having a hit down the third-base line called foul when it looked a fair ball to everybody but the umps.

THE PAYOFF BLOW

With the crowd yelling for a hit Balassi hit a long one to deep right field that Greco lost in the lights and it went for a home run to clear the bags. It would always have been good for a double. Singles by Jensen and Morgan and Walseth's double added another two runs for good measure in the eighth.

Bill Harmsen pitched the last two innings for Victoria and gave up one hit.

The afternoon affair was one of those knock-em-down-drag-em-out affairs with the Athletics being unable to hold the lead after grabbing it twice during the early innings. Victoria outlived Tacoma 16 to 14. Each team used a pair of pitchers for Lazor, who relieved Cy Greenlaw in the third getting credit for the win. Del Owens was charged with the defeat and was lifted in favor of Goot in the seventh.

Owens was tagged hard as Tacoma picked up 13 hits off him, including home runs by

Stetter and Lee along with five doubles.

Tacoma opened with two runs in the first inning, but the A's rallied for three in their half. They added one in the second and three more in the third after Tacoma had put together a rally for three in the top of the third, leaving the score 7 to 5. Tacoma got a single in the fifth and the A's lost a run in the bottom half when Owens was called out for failing to touch second base on a long smash against the right field fence that saw him circle the bags.

PALMER HOMERS

After Tacoma got two more in the seventh a Victoria rally was cut short when, with two runners aboard and nobody out, Jensen got picked off second base as a sacrifice play failed to jell. A's made a game effort to pull it out in the ninth. Palmer hit a home run to put them only one run away. Jensen singled and moved all the way to third as the ball got by Stetter in left field, but Morgan fanned and pinch-hitter Propst grounded out.

Young Russ Walseth made a great debut as a regular with the A's at shortstop in the night game. He picked up three hits to drive in five runs and

handled nine chances like a veteran.

Babe Jensen had himself a big day at the plate. The Victoria third sacker hit four for five in each game to boost his average up around .350. Kubiak had six hits in 10 trips, while Morgan picked up four for five at night. Lee caused the Victoria pitchers the most trouble with three hits in each game, including two home runs and a pair of doubles.

Clubs play again tonight, with Joe Blankenship scheduled to work for the Athletics.

Meanwhile at Vancouver the second-place Bremerton Blue-jackets edged the Caps 6 to 5 in the first game and battled to a 13-inning 9 to 9 tie in the second to slice Tacoma's lead to two games.

Salem bounced back at Spokane to defeat the Indians 3 to 2 while Wenatchee won its third in a row over Yakima 7 to 2.

First Game—	R.	H.	E.
Bremerton	6	14	1
Vancouver	5	10	2
Constant, Little 9) and Volpi, Higgins, Anderson 8) and Brenner.

Johnny Sain Beats Giants For 10th Win

Johnny Sain, tobacco-chewing righthander of Boston Braves, has reached the half-way mark in his bid to become the first National League pitcher since Mort Cooper to win 20 games three years in a row.

Sain pitched the league-leading Braves to a 4 to 1 victory over New York Giants yesterday for his 10th victory. He's the first senior circuit flinger to win 10 this season and now has a 10-5 record.

The 29-year-old hurler has won seven of his last eight starts and appears a cinch to reach the coveted 20.

Cooper, while pitching for St. Louis Cardinals, won 20 games during each of their pennant-winning years of 1942, 1943 and 1944.

The victory yesterday enabled the Braves to increase their lead over the runner-up Cardinals to 2 1/2 games. The Cards dropped a 4 to 3 decision to the Cubs in Chicago.

Stan Musial of the Cards became the first batter in the majors to collect 100 or more hits. He singled home a run in the first with his 100th safety and whacked No. 101 in the third.

The third-place Pittsburgh Pirates knocked off Cincinnati Reds 5 to 2 and jumped within half a game of St. Louis.

Ageless Fritz Ostermueller throttled the Reds on six blows. Philadelphia Phillies pulled within one percentage point of the fourth-place Giants by defeating Brooklyn Dodgers 4 to 2 behind Schoolboy Rowe.

In the American League, Philadelphia Athletics closed in on the league-leading Cleveland Indians by taking a 3 to 2 night decision from Washington Senators while the Indians were beaten 9 to 5 by the Tigers in Detroit. Philadelphia now trails by half a game.

Hal Newhouse relieved starter Fred Hutchinson in the top of the

eighth during a three-run Cleveland rally and was credited with the victory, his 10th.

The third-place New York Yankees crept within a game of the Indians with a 10 to 7 triumph over Boston Red Sox.

Red Sox slugger Ted Williams went hitless to end his consecutive game hitting streak at 16.

In a night game at St. Louis, the Browns scored three runs in the eighth inning to snap a 5 to 5 tie and went on to beat Chicago White Sox.

Esquimalt Give Away Two Goals In 4 To 0 Setback

VANCOUVER (CP)—Helped by two Esquimalt gift goals, St. Andrews advanced to the semifinal round of the Dominion soccer competition (B.C. section) here Thursday, blanking the islanders 4 to 0.

The Scots now meet South Hill Monday night in one half of the semifinals. The other semifinal pits Vancouver City against North Shore Reds here Saturday.

Showing a slight case of the jitters, the visitors were no match for the Dominion champs, who had things much their own way the whole 90 minutes.

After missing enough openings to win two games, St. Andrews got a lucky break when an Esquimalt defender put Booby Greer's cross into his own net. Midway through the half, Wes Henderson gave them a 2 to 0 margin, scoring from a scramble on Jimmy Greig's corner kick.

The Scots were on the receiving end of another gift marker in the second half when right back Bill Youden booted Stubby McLean's cross into the net. Goal four came in the closing stages of the contest, Bill Arthur heading in George Steel's cross. George Forbes of Esquimalt,

showed to good advantage and was a tower of strength on the defence. Don Matheson proved to be the king-pin of the Scots.

Hank Workman Works With Newark Club

Victoria Athletics are going to have to wait awhile before they acquire the services of Hank Workman, University of Southern California star, if ever.

The hard-hitting outfielder, after being signed by the New York Yankees, was sent to the Newark club of the International League. If Workman fails to make the grade with the triple A club he will be sent to Victoria the Yankees have assured Reg Patterson, business manager of the Athletics.

RACING SUSPENSION

INGLEWOOD, Calif. (AP)—Trainer J. T. Engle in charge of the racing stable of Robert S. Howard and others, Thursday was suspended by the Hollywood Park stewards in an alleged "horse doping" case at the track.

NOT by any stretch of the imagination could one call the fight a good one. This statement is backed up by the fact that all through the fight the cry for "more action" can be heard clearly from the back row customers over the noise emanating from the ringside seats. On a couple of occasions one can note Referee Frankie Fullam advising the two big fellows to get in and mix it. And several of the rounds have been cut down to less than a minute in the movie version, additional proof of the lack of action. What the writer said of the first bout holds true again of the second edition. If Louis and Walcott had been a couple of preliminary boys on a fight card they would likely have been tossed out for their failure to give the fans a good show.

ONE bright feature of the whole affair was that it enabled Louis to retire as undefeated heavyweight champion. It was only right that the Brown Bomber should go out with an unblemished record. After the first Louis-Walcott engagement there was extreme doubt with many fans as well as a good portion of the experts as to whether or not Louis was entitled to the decision. By knocking out Walcott, Louis banished once and for all any stigma that might have resulted from the first meeting. By his decision to hang up his gloves Louis thus joins two other great champions who retired undefeated, James J. Jeffries and Gene Tunney. Jeffries, however, was influenced to attempt a comeback after five years idleness only to be knocked out by Jack Johnson at Reno, Nevada.

CHICAGO (AP)—Calumet Farm's Coaltown, a prohibitive favorite, ran a dismal third in the \$22,150 Skokie Handicap at Arlington Park Thursday, as Delmar Stable's Piet drove home to pay \$60.60 for \$2.

McColl Bids For Spot On B.C.'s Golf Team

VANCOUVER (CP)—British Columbia Golf Association today named four of the five divot diggers who will represent the province July 12 in the Willingdon Cup matches of the Canadian amateur golf championship at Hamilton Ancaster course.

The four are B.C. amateur champion Percy Clogg, New Westminster; Bill Mawhinney, B.C.'s junior ace; Walter McElroy, slim, 21-year-old Vancouver stylist, and Jimmy Robertson, Quilchena's veteran campaigner.

The fifth position, yet to be decided, will go to either Marine Drive's Hugh Morrison, or Billy McColl of Victoria, Colwood.

The two will play a 72-hole tourney this week-end to decide the fifth.

Thirty-six holes will be played in Vancouver at Shaughnessy and Point Grey and 36 in Victoria at Oak Bay and Uplands.

The Willingdon Cuppers will leave Vancouver July 9 by plane for the Ontario layout.

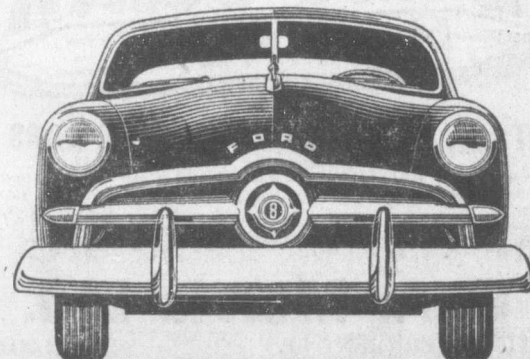

MAWHINNEY TOPS FIELD

In the cup tests Thursday, the 18-year-old Mawhinney shot a 72-74-146 to lead the field in the 72-hole cup round. He shot a 139 at Victoria last Sunday for a 285 total and an easy lead. He has averaged a little more than 70 strokes per round this year.

Victoria Beaten In Intercity Cricket

Peter Hobson, who carried his bat for 42 runs to lead Vancouver's offensive, is seen in the act of hitting one in yesterday's all-day cricket match at Windsor Park. The wicketkeeper is Ted Parkins, who turned in a smart exhibition. Fielders, from left to right, Jack Sparks, Bob Sharratt and Ben Twamley.

Vancouver handed Victoria a decisive 177 to 73 defeat yesterday at Windsor Park in the first match of the annual home and home intercity cricket series. Second game is set for Vancouver on Labor Day.

Visitors won the toss and elected to bat first. Locals took the field with Frank Harrison and Reg Wenman bowling. Mainlander's opening bat combination of Peter Hobson and E. Henley stood up well, running up a total of 52 runs before being split as Harrison bowled Henley. Buckley then teamed with Hobson to increase their score to 81, when George Payne caught the former off Dobbie's bowling.

Victoria at this point took several cheap wickets, Harrison bowling Smythe, and Reg Wenman catching Johnson, with scores of three and seven, respectively. A good fortune came to the local side when Godfrey Wenman forced Bill Hendy, captain of the visiting eleven, to sky out to Harrison with only a boundary four to his credit. Sowden and Kyle were caught off G. Wenman's offerings with singletons each. Teams adjourned for lunch, as Vancouver's score stood at 104 for eight wickets.

Smith and Clark paired up at the resumption of play, and with Jack Adams, speedy wicket-

keeper, made the tail wag by swelling visitors total to 177, all out. Smith, with 23 runs, carried his bat.

SPARK ATTACK

Peter Hobson's 42 and Stan Clark's 33 sparked the attack of the Vancouverites. Eight of the mainline side went down by catches.

Victoria's innings started with captain Reg Wenman and Ted Parkins batting. A bit of neat stumping by Adams put Wenman out after the opening pair had put up 36 runs. Jack Sparks was then caught by Hendy, who went on to bowl to Harrison, forcing him back to hit his own wicket. The destructive bowling of Robin Johnston began to take effect as the home side's batting crumbled. A last ditch stand by G. Wenman and R. Gauvrau failed to materialize, the latter being called for leg before wicket.

Notable was the manner in which the Victoria side was dismissed, batters getting out in six of the nine possible ways. Johnston's bowling for the visitors was excellent, with four wickets and 18 runs in 15 overs. G. Wenman topped local averages, taking three wickets for eight runs in four overs. Parkins played brilliantly behind the Victoria stumps, allowing no byes until the ninth wicket had fallen. Later he amassed 41 runs of the 73 total for the home side.

Schedule Games For Senior Ball Clubs

Games scheduled in the senior amateur baseball league for the next two weeks follow:

Tonight—Boosters vs. Eagles, 7, Macdonald Park.

July 4—Navy vs. Ben's Bombers, 2:30, Colville Road.

July 5—Boosters vs. Pitzer & Nex, 7, Athletic Park.

July 6—Ben's Bombers vs. Eagles, 7, Athletic Park.

July 7—Pitzer & Nex vs. Eagles, 7, Macdonald Park.

July 11—Navy vs. Boosters, 2:30, Colville Road.

July 13—Ben's Bombers vs. Pitzer & Nex, 7, Macdonald Park.

July 15—Eagles vs. Navy, 7, Athletic Park.

July 16—Boosters vs. Ben's Bombers, 7, Athletic Park.

Vancouver Rider Second In Bike Trial

THREE RIVERS, Que. (CP)—Florent Jodoin, piano-legged rider from Montreal, won the 120-mile Olympic bicycle trial here beating out a class field of some of some of the best cyclists on the Canadian circuit with a time of 5 hours 30 minutes and 41.2 seconds.

Lorne Atkinson, Vancouver's ace pedal-pusher, finished in second place ahead of Bill Hamilton of Oshawa.

'Y' Swimmers Buckle Down To Serious Training Grind

In a telegram to The Times today, Archie McKinnon, coach of the Canadian Olympic swimming team, stated the Victoria team is in fine shape for the coming trials at Verdun, Quebec, and had been pulling for the other "Y" stars to come through with victories in the Zone Four track trials at Vancouver.

Archie and the Flying "Y" swimmers should feel good now as three Victorians qualified for the Canadian Olympic trials in the two-day trial week which concluded Thursday.

The women members of the team are billeted in a private home while the boys are staying at the Central Y.M.C.A. in Montreal.

McKinnon is using a two-swim-a-day training schedule similar to the one used at Hamilton two years ago when the Victoria team swept majority of the junior events. One training session being held at the Verdun

pool where the trials will take place.

Cameron Gorrie of the Montreal Y.M.C.A., formerly boys' secretary at Victoria, has been co-operative, McKinnon states, and is showing the swimmers every consideration.

The Victoria team toured the city the other day and met several Victorians. Driver of the sightseeing bus was none other than Don Hodgins, who is studying medicine at McGill University.

McKinnon also met Alex Alexander of Foster's Fur Store in the lobby of the Mount Royal Hotel and had phone calls from ex-Victoria "Y" swimmers, Molly White and Bill Noel.

The swimmers still have a week before the trials and if the hot weather is not too tough, McKinnon says the team will be ready.

McKinnon and members of the team wish to express their thanks to everyone in Victoria who made their trip possible.

Sir Berrill Wins Holiday Feature At Lansdowne Park

VANCOUVER (CP)—A Dominion Day crowd of 10,000 Thursday saw Bill Lochhead's Sir Berrill close rapidly in the final strides to cop the featured \$1,000 seventh race here at Lansdowne Park.

Ridden over the six-furlong route by Bobby Summers, Sir Berrill took command at the three-quarter pole from his Brother and Association, who finished second and third.

The big horse paid \$5.25, \$3 and \$2.40.

Results follow:

First race—Pure \$800; maiden two-year-olds; 4 1/2 furlongs.
Tranby Cove (Gomez).....\$28.00 \$7.50 \$4.00
Administrator (Johnson)..... 2.85 2.30
Come On Steve (Summers)..... 2.90
Time, 1:34.1. Also ran: Lady Model, Bar Whiskey, Vain Shot, Big Kiddle.
Second race—Pure \$800; maiden three and four-year-olds; six furlongs.
Desert Band (Simmons)..... 8.10
Time, 1:03 4/5. Also ran: Gearjammer, Say Buster, Jenny's Lass, Mona Kelt, Victory Band, Black Cloud, Wild Town.
Third race—Pure \$800; claiming for three-year-olds and up; six furlongs.
Hazelgreen (Summers).....\$4.50 \$2.50 \$2.75
Crystal Torch (Nowell)..... 4.55 3.80
Dixie Lass (Moncrieff)..... 4.50
Time, 1:14.4. Also ran: Xenofelia, Great Witness, Burns Peis, Bomers Band, 8801 Time, 1:14.4. Also ran: Xenofelia, Great Witness, Burns Peis, Bomers Band, 8801 Time, 1:14.4. Also ran: Xenofelia, Great Witness, Burns Peis, Bomers Band, 8801

Ben Hogan Earns \$5.35 Per Swing; Leads Averages

CHICAGO (AP)—Ben Hogan of Hershey, Pa., won \$17,597 in P.G.A. golf tournaments during the first six months of 1948, the Professional Golfers' Association announced today.

The Texan also had the best round average 69.98 strokes.

The P.G.A. figured that Hogan collected \$5.35 every time he swung a club in a tournament.

Following Hogan in the money winning totals are Lloyd Mangrum of Chicago with \$16,196; Bobby Locke of South Africa, \$15,218; Jimmy Demaret, Ojai, Calif., \$13,518; Skip Alexander, Lexington, N.C., \$12,502; and Johnny Palmer, Badin, N.C., \$12,259.

The P.G.A. does not include money won in the Inverness four-

ball championship last week.

Hogan and Demaret shared a \$3,500 first prize in that event.

Cotton Sets Course Mark For British Golf Lead

MUIRFIELD, Scotland (AP)—Henry Cotton turned the British Open golf championship into a British picnic today with a record-breaking 66 for a 36-hole total of 137.

Watched at the first tee by the King, Cotton shattered Walter Hagen's Muirfield course record that had stood for 19 years. Britain's Alf Perry equalled it in 1935, Cotton's spurt delighted British golf writers and fans with the prospect of saving their last major title from United States hands.

The American challenge, headed by Lawson Little, Claude Harmon and amateur Frank Stranahan, wilted. Arthur Clark, a little-known pro from Huntington, W. Va., led the American pack with 145, eight strokes behind Cotton.

The leaders looked like this after 36 holes:

Cotton, 71-66-137.

Sharlie Ward, Britain, 69-72-141.

Sam King, Britain, 69-72-141.

Flory Van Donck, Belgium, 69-73-142.

Arthur Lees, Britain, 73-69-142.

Roberto de Vincenzo, Argentina, 70-73-143.

Norm Von Nida, Australia, 71-72-143.

Fred Daly, Ireland, 72-71-143.

Alf Padgham, Britain, 73-70-143.

After Thursday's play, the field was sliced to the low 38 for the two concluding rounds today. Players with scores of 148 or better remained in the tournament.

Kingsley, a stocky Utah amateur, tied the course record for amateurs with his 69. He now holds it jointly with Lawson Little, who set it in 1935—the year he won his second straight British amateur crown.

Don Olds Coming Back To Langford For Trophy Event

With Don Olds of Seattle scheduled to appear, tomorrow night's 40-lap main event for the Hawkes-Foster trophy at Langford Speedway takes on added zip. Driving his special racing job last Saturday, Olds provided majority of the thrills.

Tomorrow night Jack Spaulding will defend the trophy he won June 5. He will be driving the No. 7 car as usual. Olds is racing tonight at Tacoma and only an accident there will prevent his appearance at Langford.

Time trials will open the card at 7:30 with the helmet dash and heat races to follow.

Dempsey's Great Hurling Earns Seals Close Win

The scorching Coast League pennant scramble had cooled off a bit today for the San Francisco Seals.

The league leaders enjoyed a comparatively comfortable lead of two full games over both the Los Angeles Angels and Oakland Oaks, a rare margin in recent days.

This was the result of a sterling mound performance by young Con Dempsey of the Seals who bested Tom Hafe of the Angels last night. Dempsey fanned 13 Angel batsmen in posting his seventh win of the season as San Francisco edged Los Angeles, 1 to 0, to take a two to one series lead.

Oakland and Hollywood engaged in a free-hitting affair with the slugging Stars copping the final verdict, 9 to 5.

The last-place Sacramento Solons pounced on four San Diego pitchers for 13 hits and a 10 to 1 victory.

Seattle downed Portland 2 to 0 behind two-hit twirling of Herman Besse.

COAST LEAGUE			
	R.	H.	E.
Sacramento	10	13	1
San Diego	1	7	0
Fresno	1	7	0
Los Angeles	1	7	0
Oakland	9	5	1
Hollywood	9	5	1
Seattle	2	0	0
Portland	9	2	3
Besse	9	2	3

Knockout Cricket Games Scheduled

First round of the knockout series will be played in the Victoria and District Cricket League tomorrow with three games scheduled.

Oak Bay play host to Navy at Windsor Park, Albions meet Ex-R.A.F. at Macdonald Park and Incogs. clash with Five C's at University School. All matches start at 2.30.

Oak Bay line-up follows: Dobbie, Sparks, Harrison, Parkins, Sands, Gautreau, Higgs, Thornton, Deane, Wright and Ridge.

Pigeon Racing

The Victoria Racing Pigeon Club held its first race of the season from Chilliwack, a distance of 81 miles. Eighty-seven birds from seven lofts took part.

Results follow:	
	Yards Per Min.
Woolley	1061.4
Eden	1058.3
Woolley	1053.3
Rowe	1037.2

Add Stature To Grid Giants

Four of last season's brightest college stars are welcomed to the New York Giants' professional football squad by Paul Governall, the team's ex-Columbia passing luminary of 1947. Left to right: Columbia end Bill Swlacki, Mississippi triple threat Charley Conery, Governall, Columbia end Bruce Gehrke and Pennsylvania tailback Skippy Minisi. Governall is admiring Conery's contract.

Roy Newton Wins Hot-Rod Feature; Car Runs Over Driver In T Race

Three events made up the program at Langford Speedway Thursday night, but don't take it wrong . . . that trio of races gave the holiday fans everything they could wish for in an auto race meet.

There was a slam-bang stock car race which went 50 laps, a hopped-up Model T contest over 25 laps, and the major racing cars rounded out the evening of thrills in a 15-lap tear.

The Model T race was marred by one accident which sent Micky Oleinek to hospital with shoulder and chest injuries. His wagon and another driven by Oscar Guelpha tangled on the last turn before the finish of the event. Both cars spun madly, Norris was thrown to the asphalt, and his car rolled over him. His condition today was reported "good."

The feature of the evening was the stock car race which saw 13 hot-rods take the green starting flag.

NEWTON WINNER

Winner was Roy Newton who drove his 1932 V-8 home three-quarters of a lap ahead of Eric Whitehead driving a 1935 V-8.

The gap between the two top cars doesn't mean it was a walk-away for Newton. He and Whitehead fought it out most of the way but in the latter stages of the race, Newton built up the lead when Whitehead was boxed in by a car whose driver failed to heed the pull-clear flag of the starter when he was being lapped.

Third in the thriller was Fred Rudd driving a 1931 Ford; fourth was Henry Loo in a 1931 Chev; fifth, Bob Irwin in a 1930 Ford, and sixth Jack Morrison in a 1936 Packard.

SIMPSON WINS T RACE

Winner of the Model T event was Bob Simpson, a major car driver; second was Ron Bissenden; third, M. Bissenden; fourth, Don Duncan, and Fifth, J. Savory.

In the major car race Dave Cooper in the No. 4 car got the checkered flag first; Vern Bruce in the No. 36 was second, and Roy White piloting the No. 15 was third.

First action in the stock car race came on the third lap when Bill Heller, driving a 1935 V8, let the car get away from him as he was coming into the front stretch. He spun broadside on the track and a half-dozen cars coming up behind missed by inches.

Whitehead, who drove the fastest lap in the time trials winning the pole position on the front

row for the start, was sitting pretty for 17 laps until Newton shot through on the inside when the leader swung wide.

Up until that time the two boys had been battling it out at close range with A. Carter, driving a 1935 V8, sitting in the third slot. On the 11th lap, Newton skidded into the infield allowing Carter to take second position. But the eventual winner soon got back behind Whitehead.

BROADSIDE SMASH

The crowd, close to 4,000 strong, was on its feet on the 32nd lap when Brownie Brown, another major car driver, spun his hot-rod on the south turn and was hit broadside by Fred Dale in an Auburn roadster. After the crash, which put both cars out, Brown's car hit the fence head-on, but didn't go through.

Carter, still in third spot, was forced out of the race on the 39th lap with engine trouble. That was when Rudd moved up. Newton had a little engine trouble on the 46th lap but got the car rolling again to lead the way.

55 MILES PER

Time for the 50 laps was 19.24.82, which means the winning car averaged something like 55 miles an hour the whole way.

Simpson had little trouble winning the T event with his stripped-down and hopped-up job. Oleinek and Guelpha put on a good show in a battle for third place until the accident came, which washed both of them out.

For a while it looked like Bissenden, who finished second, was going to give Simpson a run for his money, but his car developed engine trouble (it began to sound like a steam-roller) and then a quarter of a lap before the finish the battery fell out of the buggy.

It broke up on the track just ahead of Oleinek and Guelpha and may have been part of the cause, at least, of the smash between the third and fourth cars.

Time for the race was 9.43.31.

In the major car race, Simpson spun on the seventh lap in the No. 16 car; and Harry Greenwood, in the No. 47, cracked into him. The drivers escaped, but both cars were put out of the running. It was a close race between all five cars up to then.

Time for the 15-lap event was 4.30.18.

Oldies Kirkwood and Sarazen Shoot Sensational Golf

DETROIT (CP)—Joe Kirkwood and Gene Sarazen, two veterans who were playing golf before many of the present-day stars were born, stepped out Thursday to show the young fry a thing or two in the \$15,000 Motor City Open.

Kirkwood, 51-year-old Philadelphia trick shot artist who hasn't won a major tournament in 15 years, fired a first round 35-33—68 over the 6,616-yard Meadowbrook Country Club to earn a share of a four-way tie for the first-day lead.

Sarazen, 46-year-old Connecticut squire now playing out of Gremont, N.Y., made a steady putting touch pay off for five birdies and was just a stroke behind with 34-35—69.

But youth had its day too over Meadowbrooks rolling fairways where par is 35-36—71.

Gene Dahlbender, 24, southern amateur champion, fired seven birdies for a 34-34—68 to share first place with Kirkwood, 30-year-old Marty Furgol, North Hollywood, Calif., and Johnny Palmer of Badin, N.C. Furgol had 33-35—68.

Two strokes back at 70 were: Ben Hogan, United States Open and P.G.A. champion; Bobby Locke, South African star; Cary Middlecoff; E. J. (Dutch) Harrison; Clayton Haefer; Elmer Reed and Ky Lafoon.

Jimmy Moore Wins B.C. Traps Title

VANCOUVER (CP)—Jimmy Moore, 1947's provincial trapshooting king, repeated his win of last year with a smashing 98 out of 100 score at the Vancouver Gun Club Thursday.

Herb Sabine, Vancouver, Garnie Carter, New Westminster, and Lou North of Sidney, Vancouver Island, tied with 97's in the regular 100 bird event, with North winning the shootoff for runner-up honors.

Equipment For Olympiad One Of Major Problems

LONDON (CP)—Epee fencing judging machines from France . . . index cards from Sweden . . . diving springboards from the United States . . . javelins from Finland and Sweden . . . bamboo poles for vaulting from Japan . . . white paint for field hockey balls . . . telephones and pencils . . . sandbags for guarding gates on the bicycle-racing course . . . teleprinters and whistles.

Multiply this list by 50 and you will get a hint of the equipment needed to stage this year's Olympic Games. It is the province of a technical committee headed by E. A. Barker.

Edward Barker is the buffer between every Olympic athlete coming from abroad and various government departments, the limited purse of the organizing committee, and even Scotland Yard.

A short (five-foot-six) man who two years ago could hardly tell the difference between a weight-lifter and wrestler, he now knows exactly what track and field, equestrian, fencing and rowing athletes need. He has supplied equipment—on advice of the various international sports federations—for each of the 17 sports and 136 events on the 17-day program.

Among items overseas competitors will bring are 200 horses, 100 rowing boats, 50 yachts, hundreds of fencing foils and 400 bicycles. Each competitor is allowed 25 pounds of food.

Another ticklish job was to persuade Britain's home office, and governments of competing nations, to issue special Olympic identity cards for all competitors instead of passports.

"These cards will be used also for customs regulations and will be valid for a limited period."

Doris Hart Eliminates Champion At Wimbledon

LONDON (AP)—Doris Hart of Miami, Fla., and Louise Brough of Beverly Hills, Calif., produced a hot brand of tennis in Wimbledon's famous deep freeze Thursday to enter the finals of the all-England championships.

Miss Hart, blowing on her frosted fingers now and again to restore circulation, knocked out the defending champion, Mrs. Margaret Osborne Dupont of Wilmington, Del., by scores of 6-4, 2-6, 6-3. The tall Florida girl was superb in the clutches.

Miss Brough, the current American titleholder, beat Mrs. Pat Canning Todd of La Jolla, Calif., 6-3, 7-5, in a match replete with sparkling rallies. Seven of the first 13 games went to deuce.

The usual capacity crowd of about 15,000 applauded continuously (partly, perhaps, to keep warm).

In between the women's

matches a couple of men's doubles teams put on a rip-roaring exhibition that probably will decide the championship in that specialty.

John Bromwich and his 20-year-old Australian partner, Frank Sedgman, outlasted the No. 1 American combination of Francis Pargy and Bob Falkenburg in five brilliant sets, 6-2, 6-8, 4-6, 6-4, 6-1. Some of it was as spectacular as anything ever seen at Wimbledon, veteran observers agreed.

WINNIPEG (CP)—Before a Dominion Day Crowd of approximately 11,000, Doo Little, five-year-old chestnut horse, won the fifth and feature race at Polo Park here Thursday. Doo Little covered the 6½ furlongs in 1:20 2-5 seconds off the track record. Malinka was second and Betjin took show. Six horses ran.

3 Additional Polio Suspects Taken From Destroyer Here

Carl Stocker Dies After Long Illness; Funeral Saturday

Carlton W. Stocker, founder in 1911 of the cartage company which bears his name, and an active Victoria club and lodge man, will be buried at 2:30 Saturday afternoon.

He died Wednesday night at his residence on Cedar Hill Road after a lengthy illness.

Mr. Stocker's death is mourned by many whose admiration he won in business and in community undertakings as a member of the Kiwanis and Lions clubs, Royal Arcanum, Knights of Pythias, United Commercial Travelers and L.O.O.F.

He was in his 60th year and is survived by his widow; two daughters, Lorraine at home, and Mrs. Joyce Watson, Victoria, and one granddaughter.

LODGE FUNERAL

Funeral services, to be conducted by Rev. George Biddle, will be under the auspices of the Royal Arcanum. Services will be held at the Thomson Funeral Home and at Ross Bay Cemetery, where interment will take place.

Mr. Stocker was a member of the Majestic Council No. 1613, Royal Arcanum, and a past supreme representative of Royal Arcanum for Washington, Oregon and B.C. jurisdiction.

He also was a past chancellor and a charter member of the Knights of Pythias, Capital City Lodge No. 61; a past grand master of the L.O.O.F., former secretary of the Kiwanis Club and former treasurer of the Lions Club.

Mr. Stocker was president and managing director of Stocker's Transfer Company Ltd. and Stocker's Security, Storage and Warehouse Company.

To date the amount collected by the Saanich Flood Relief Fund amounts to \$7,104, of which amount \$4,000 was donated by the municipality of Saanich and \$224 by the Saanich Municipal Employers' Association.

ANNOUNCEMENTS

Shetland pony rides daily, Belleville Street, opposite the Crystal Garden. Ponies for hire, Picnics, Garden Parties, etc. Phone G 9243.

Runnagge Sale — Auspices Soroptimist Club, City Market, Saturday morning, July 3.

Funeral Notice

Members of the above lodge are requested to meet at the Thomson Funeral Parlor, Saturday, July 3, at 2:30 p.m., for the purpose of attending the funeral of our late Brother Carl W. Stocker.

S. A. POMEROY, Recording Secretary.

ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

KEEP HOME FIRES FROM BURNING!

Today, home builders are fire conscious! They "build in" protection by choosing fireproof materials. One of the most popular is a Johns-Manville asbestos siding shingle known as "Cedargrain."

Made of two imperishable materials—asbestos and cement—Cedargrains are absolutely fireproof—even the white heat of a blowtorch won't burn them. In fact, in over 35 years not one J-M shingle has ever burned—not one has worn out. What's more, Cedargrains are rotproof and weatherproof—they need no periodic painting to preserve them.

Johns-Manville Cedargrain Asbestos Siding Shingles are strikingly attractive, too—have all the beauty of fine weathered wood. Ask your nearest J-M dealer for free illustrated folder. Asbestos Building Materials Ltd., 707 Johnson St., G 7314.

Three more crew members have been placed on the seriously ill list and transferred to Royal Jubilee Hospital as possible poliomyelitis cases from H.M.C.S. Athabaskan, now lying off Esquimalt Harbor under a 14-day quarantine order, Royal Canadian Navy officials announced today.

The three new polio suspects are: OD. Kenneth Johnstone, Vancouver; Stoker William R. Hutcheson, Huntsville, Ont., and OD. Paul Presant, Blenheim, Ont. Next of kin have been notified.

The R.C.N. stresses that naval medical authorities are doing everything within their power to bring under control the outbreak of poliomyelitis which appeared aboard Athabaskan as she was en route from Halifax to Esquimalt to join the Pacific active fleet.

Following the death at sea Monday of Electrical Artificer Edward Zimmerman, Victoria, three additional crew members were hospitalized at Royal Jubilee Hospital: PO. St. (M) Jeremiah Blythe, Victoria; OD. William Pervis, Toronto, and AB. Dwight Cousins, whose father is serving aboard the coastal ship Princess Charlotte.

There are 195 officers and men, including permanent force and reserve, aboard Athabaskan, which carries a medical officer.

BURIAL AT SEA

Electrical Artificer Zimmerman was buried at sea this afternoon from the Athabaskan. A short funeral service was held for the immediate family on the jetty at H.M.C. Dockyard this afternoon with Chaplain S. H. Godfrey officiating. The remains were then put aboard the destroyer and taken out to sea for burial with full naval honors.

Rules Tightened Up For B.C. Guides

The provincial government has rewritten regulations made under the Game Act governing regulations of guides. The fees for registering are raised and the qualifications made stiffer.

Under the latest regulations, approved by order-in-council, the three classes of guides are one, two and three, instead of the old A, B and C.

To qualify as a first class guide a person must have served in B.C. as a guide for three years during the last 10 years and must have suitable equipment for outfitting any person desiring to hunt. Previously charged \$10 for certification, a person to receive a first class guides' license now must pay \$15.

Second class guides also must have served for three years as a guide during the past 10 years but he does not have to have the equipment for outfitting that a first class guide does. His registration fee is \$10, double what it was previously.

Class three guides are to be known as assistant guides and may act as a guide in the hunting of game birds or in angling for trout and, when employed by or under the supervision of a first or second class guide, to guide big game hunts. The registration fee for third class guides is increased from \$3 to \$5.

"Every guide shall complete and sign the certificate appearing on the back of the firearm license of the non-resident for whom he has acted as a guide, and such certificate must be completed immediately the big game hunt has been concluded," says the new regulation.

Abnormal Weather Recorded In June

Victoria's weather is still "below average," a summary for the month of June compiled by officials at the Gonzales Meteorological Station reveals.

An average of 10 hours of sunshine a day was listed here last month, but the normal reading is 335 hours. Precipitation was 1.28 inches, while the measure should only have read .88 inch. Total rainfall since the first of the year now stands at 16.82 inches, which is almost four and a third inches above normal.

Mean temperature here last month was only 59 degrees, 20 degrees below normal. Maximum temperature for the month was 84, recorded on the 7th, while the minimum was 48, listed on the 23rd.

S.A. Picnic

Over 300 on Dominion Day attended one of the most successful picnics that the Citadel Corps have had in many years, everybody was in holiday mood at Sunny Shores Camp. Games of all kinds were held for young and old and everyone joined in the fun. Arrangements were made by Y.P.S.M. Bert Nelson.

... But City Cop Must 'Suffer It Out' In Summertime

Oak Bay police have followed in the footsteps of Saanich in allowing the municipal police force personnel to doff tunics during the hot weather. The police commission of the municipality put its stamp of approval on the move last week.

In Esquimalt Chief Gilbert Stancombe can give the word to cast aside the tunic when the days are hot.

City policemen must still "suffer it out" with tunics as they pound the downtown hot pavements of summertime.

Elementary School In Esquimalt Holds Closing Exercises

Ronald Beaumont was a double winner at the Esquimalt Elementary School closing exercises Wednesday. He was presented with the Women's Institute gold medal for the top-ranking pupil in the Grade 8 graduating class and received the reeve's gold watch for being the best all-round graduate.

Mrs. M. Macduff presented the Women's Institute award and Reeve A. I. Thomas presented the watch.

The I.O.D.E. prize to the pupil ranking second in the Grade 8 graduating class went to Beverly Bark. Presentation was made by Mrs. G. P. Clarke, vice-regent of the Esquimalt I.O.D.E.

Solos were contributed during the ceremonies by Donna Vaux and Mrs. G. Henning. A minute's silence was observed in memory of the late Mrs. J. Quinn, who for over 20 years bore the I.O.D.E. flag at ceremonies in the school.

2 Junior Clerks In Detective Office

Morley Johnson, 1640 Gladstone Avenue, and William Geddes, 2613 Belmont Avenue, are the two young matriculated high school students who started work today as junior clerks in the detective branch of the city police department.

Hiring of the young men was approved by the Board of Victoria Police Commissioners late last year to take over clerical work to enable experienced detectives go doing that work being released for outside work.

When they become 21 years of age, Johnson and Geddes will have an opportunity to join the force as officers.

Flood Relief Fund Continues To Grow

Although active campaigning is officially over, voluntary contributions to the Victoria Flood Relief Fund are still coming in.

Since Wednesday, \$2,250 has been received, \$1,618 by banks, \$299 by the City Hall and \$333 by the Royal Trust Co.

Fund committee chairman, Ted Fox, announced today that the latest contributions have raised the cumulative total for Victoria to \$151,326.

Gladioli In Bloom

P. J. "Phil" Smith, 3137 Qu'Appelle Street, went into his back garden this morning and cut two tall gladioli, which he believes are the first of the season in Victoria. Each standing well over three feet in height, the flowers were grown in sandy soil, well fertilized.

Tom H. Harper of the Victoria Gladiolus Society supported Mr. Smith's belief that his were the first gladioli in the city.

"The season is behind this year because of unfavorable weather in the spring," Mr. Harper said. "It is quite likely Mr. Smith's gladioli are the first."

Most gladioli will be in bloom by the last week of this month, he said.

Lumber Thefts

A. K. Price, 749 Broughton Street, reported to city police Thursday that lumber has been stolen from five different places during the last two nights. The building materials were taken from 2517 Belmont, 1482 Thurlow, 3138 and 3412 Somerset and 1035 Clare.

July 7 For Trial

Mrs. M. E. Rife entered pleas of not guilty through defence counsel E. S. Farr to two charges of obtaining money by false pretenses when she appeared in city police court today before Magistrate H. C. Hall. Trial date was set as July 7. Accused is charged with obtaining \$14 by two worthless cheques.

2 Victoria Firms In New Companies Formed During Week

Stockers (1948) Ltd., with capital of \$150,000 and Vallance and Sawyer Ltd., with capital of \$10,000 were the only Victoria companies registered at the Legislative Buildings during the week ending July 1.

Registrations from Vancouver included Douglas Estates Ltd., with capital of \$25,000; Dendoff Springs (Nanaimo) Ltd., \$50,000; Charles Biscoe Agencies Ltd., \$20,000; Don Abel Ltd., \$25,000; Kaybee Lumber Company Ltd., \$25,000; Rubble Creek Lumber Company Ltd., \$50,000; Hardcrest Apartments Ltd., with 1,330 share of no par value; Harvey Stores Ltd., \$10,000; Salmon Products Ltd., \$10,000; Marquis Holdings Ltd., \$25,000; Sunnar Electric Sales Ltd., \$10,000; Fraser River Holdings Ltd., 75,000 shares of no par value; United Building Corporation Ltd., \$100,000; Edward W. Morris Realty Ltd., \$10,000; International Gold Master Mining Ltd., \$20,000; H. F. Henner Realty Company Ltd., \$10,000.

From elsewhere in the province were Lakeshore Bottling Company Ltd., with capital of \$25,000 at Penikese; Art Enterprises Ltd., \$10,000; North Vancouver Osoyoos Body Shop Ltd., \$50,000; Osoyoos; Follow Bros. Ltd., \$10,000; Vernon; Hotel Rodney Ltd., \$25,000; Powell River; Robinson Bros. and Naylor Ltd., \$10,000 at Black Creek.

United Workers' Co-operative was registered under the Co-operatives Act.

Only extra-provincial registration was Skyways Services Ltd., capitalized at \$150,000 with head office in Winnipeg and British Columbia office in Vancouver.

Bright Lights For Dallas Road Soon

Dallas Road, between Simcoe and Douglas Streets, will be brightened up before the end of summer.

Ald. Frank Mulliner, chairman of the city's street lighting committee, said today the committee will ask City Council on Monday to call for tenders on materials required to put the street lights in that section in good condition.

An \$8,000 appropriation in the 1948 estimates will be used for the work.

Some light standards will be replaced, and those not condemned will be refinished. All will have a new type overhanging light designed to give the road a maximum of light from the size of bulbs used, Ald. Mulliner said.

9-Man B.C.-Ottawa Board Named To Study Problems Of Fraser

Works Minister E. C. Carson today announced the personnel of a nine-man Dominion-provincial board which will study all problems connected with the Fraser River.

Provincial government representatives of the board are: A. L. Carruthers, former deputy public works minister for B.C.; George Melrose, deputy lands minister; Maj. R. C. Farrow, comptroller of water rights; Bruce Dixon, provincial diking commissioner and George Alexander, deputy fisheries minister.

Dominion representatives are: F. G. Goodspeed, assistant chief engineer, federal public works department; K. W. Morton, district engineer, New Westminster; A. J. Wittmore, Vancouver, chief supervisor of fisheries for the federal fisheries department; and C. E. Webb, Vancouver district chief engineer of the water and power bureau of the federal mines and resources department.

GOODSPEED CHAIRMAN

Mr. Carson said he had suggested to Federal Works Minister Alphonse Fournier that Mr. Goodspeed, a federal representative on the Fraser River diking authority, which is charged with rebuilding the dikes, be appointed chairman of the board.

Terms of reference for the board now are being prepared for submission to federal authorities and the board will be notified as soon as these have been approved.

Negotiations for the setting up of the board have been under way for some time. The board in no way is connected with the Fraser River diking authority named following the flood.

Purpose of the board will be to examine all existing reports and make other studies dealing with the general economy of the Fraser watershed. Problems of storage dams, flood control, power development, irrigation and the propagation of fish in the Fraser and its tributaries will be considered.

For some time the provincial water rights has been studying the Fraser and its tributaries and reports have been completed on the Chilcotin, Nechako Rivers, Stewart Lake area, Quessnel and the canyons of the Fraser River.

"In this connection it is interesting to note," said Mr. Carson, "that already one of the tributaries of the Fraser is in the process of being brought under control, namely, the Bridge River, which will be the main source of power for the B.C. Electric Railway Co. Ltd. Studies will be required to be made along the Thompson River and a start already has been made

Retires From Museum

A. E. Pickford, anthropologist at the Provincial Museum, has retired after 35 years in B.C. government service. Joining in 1913 as a surveyor with the attorney-general's department, Mr. Pickford was later transferred to the forest branch to study regeneration of trees, and later still was attached to the museum. Now a recognized authority on B.C. Indians, Mr. Pickford has made a notable contribution to the knowledge of this province.

on the Clearwater, which is a tributary of the Thompson.

BALANCED DEVELOPMENT

"It will be a job of correlating all the data available and securing further information with a view to consolidating same so that our varied industrial potentialities including agriculture, power and fisheries may be viewed on a balanced basis. That is to say the fishing industry should not be protected to such an extent that agriculture will suffer any more than agriculture should be developed to the detriment of fisheries. Neither should power development take complete precedence over anything else. There must be a well-balanced development of all industries as well as the control of flood conditions so that land and valuable property will not become inundated.

"This is a task which will require some time to complete but no time should be lost in embarking upon the project.

"Because of this the provincial government has pressed for action and will insist on an early conclusion of the studies so that an over-all program may be submitted to the two governments which may be undertaken on a basis of carrying out, various stages as the occasion demands."

Composer Nolan Born In Canada

Bob Nolan, composer of "Tumbling Tumbleweeds," "Cool Water," and hundreds of other western song classics, and leader of the Sons of the Pioneers, opening today at the York Theatre, was born in the wild timber country of Canada, 250 miles north of St. John's, N.B. He went to Hollywood to enter the entertainment field, but when he saw an advertisement for a cowboy with a guitar and a pair of musical tonsils, he answered it. That was when he met Roy Rogers and Tim Spencer and they formed the nucleus of the "Sons of the Pioneers."

ATLAS THEATRE

"Johnny O'Clock," rugged Columbia melodrama, is Robert Rossen's first directorial effort. He previously received writing credits for "The Strange Love of Martha Ivers," "A Walk in the Sun" and "Edge of Darkness." The dramatic thriller, co-starring Dick Powell and Evelyn Keyes, is currently at the Atlas Theatre.

PLAZA THEATRE

"The Enchanted Valley," a romantic idyll of a man's faith and understanding and a boy's influence over a criminal, is currently at the Plaza Theatre. The human drama is in cinecolor and stars Alan Curtis and Anne Gwynne. It features over 20 furred and feathered creatures of the forest.

OAK BAY THEATRE

Gregory Peck, Dorothy McGuire and John Garfield are starred in the outstanding cast of Darryl F. Zanuck's production of "Gentleman's Agreement," Twentieth Century-Fox picture based on Laura Z. Hobson's best-seller, now at the Oak Bay Theatre.

Stage Experience Urged For Would-Be Actors In Movies

By BOB THOMAS

HOLLYWOOD (AP)—Don't assail the walls of Hollywood if you want to break into the movies. Go to the stage.

That's the consensus of the stars who have made the grade. The percentage of Hollywood-found stars grows smaller as the industry progresses. It appears newcomers have to make names for themselves in other entertainment fields before they can crash pictures.

The Associated Press Hollywood forum question for today: What would you advise youngsters who want to break into movie acting? Here's how it was answered:

John Garfield: Stay away from Hollywood or you'll end up a car hop or a bus boy. Go on the stage, either at home or on Broadway. Or try television.

Sir Ralph Richardson: You can only learn to act before an audience. When you perform, the people will either listen or cough. If they listen, you are an actor. If they cough, you are not.

Douglas Fairbanks Jr.: Don't try. Unless you have infinite patience and a bankroll to last through 10 years of disappointments, it's better to try other fields. If you are determined to reach the screen, I think the stage is the best training ground.

Celeste Holm: Join a stock company. Find out if you are good, and if you are, go to Broadway and make a name for yourself. You'll do much better

in Hollywood with a reputation than as an unknown.

Robert Montgomery: Go on the stage and turn down the first three Hollywood offers.

Jeffrey Lynn: Take the first job that comes along—anything to get before an audience. If you don't click, don't give up.

Today's feature: Thirty years ago in the movies.

Douglas Fairbanks sold \$5,000,000 worth of war bonds in New York. . . Doug Jr., age 8, said he couldn't decide whether to follow his famous father's footsteps or be a fireman or aviator. . . Doris Kenyon was adopted by an army regiment as an honorary lieutenant. . .

D. W. Griffith's statement about acting: "It's not what you do with your face or hands; it's the light within." . . . Billie Burke was dividing her time between the stage and screen.

George M. Cohan filmed his stage hit, "Seve Keys to Baldpate." . . . "Laughin' Bill Hyde" introduced "a new face and a homely one" to the screen—Will Rogers. . . Caruso made his first picture, "My Cousin."

25-Year Badge

Nat Gray, postmaster at Saanichton, and president of the British Columbia Branch of the Canadian Postmasters' Association, was presented with a badge for having given 25 years faithful service, at a ceremony recently.

Among those offering congratulations was A. F. Brownsey, secretary-treasurer of the B.C. branch of the Association which was first organized in the province in 1907. The Association was first organized in 1902 in Manitoba by Ira Stratton, postmaster at Stonewall, Man. L. Scholey of Cowichan Lake and A. D. Ellwood of Metcheson also received badges for 25 years service.

Mayor George Meets Montreal Civic Officers

'Voice Of Turtle' New Royal Show

Look closely when you see Warner Bros.' lively comedy, "The Voice of the Turtle."

Director Irving Rapper, who is noted for his use of a characteristic piece of business in his motion pictures, has a new one for "The Voice of the Turtle." Warner Bros. romantic comedy starring Eleanor Parker and Ronald Reagan which opens today at the Royal Theatre.

The new trick is Miss Parker's habit of filling two glasses—one for herself and one for Reagan—then drinking out of the fuller one to even it up with the other.

Miss Parker does this with two glasses of milk, two glasses of coca-cola, and two glasses of champagne. She doesn't measure up the glasses by simply pouring the liquid from one to the other; she invariably sips them to equality.

RIO THEATRE

Richard Fraser and Maris Wrixon are co-starred in PRC's "White Pongo," which will be seen at the Rio Theatre today.

"White Pongo" is a jungle thriller with an unusual angle, telling the strange tale of a search for a white gorilla, be-

The Flowers That Bloom In The Street, Tra-La

Since 1778, the people of Genzano, a small town near Rome, Italy, have annually paved their streets with flowers. The colorful ceremony begins when artists draw chalk-line sketches on the cobblestones. Women, almost 200 of them, harvest untold numbers of flowers, and another 200 women weave them together. Then they are

placed over the chalk-lines, like the flowered likeness of St. Lucia, left. When finished, the main street, right, is an intricate carpet of blossoms. In the evening the townspeople march down the street to the cathedral for services. (Photos by NEA-Acme staff correspondent Albert Biasetti.)

Dividend-Paying Stocks Show Higher Yields While Prices Low

By CANADIAN PRESS

Current lower prices on security markets are reflected in increased yields on dividend-paying stocks.

If you had been able a year ago, for instance, to make a sort of composite investment of \$100 in all dividend-paying stocks listed on the Toronto Stock Exchange you would have drawn \$4.82. If you did the same thing now (as of June 28) you would draw interest of \$5.44, an increase of 62 cents.

This has been a feature of stock markets since 1946, the relatively low price of stocks in relation to the dividends which they pay.

A survey by the Financial Post shows that dividends payable in July (as declared to June 25)

amount to \$42,562,519 as against \$36,567,332 for July last year. Indicated payments for the first seven months of 1948 are \$245,080,238—up \$41,905,947 from the same period in 1947.

MARKETS YESTERDAY

Holidays are cutting into stock market operation. Canadian exchanges were closed Thursday for Dominion Day and New York will have a three-day shutdown with observance of Independence Day Sunday.

New York Thursday had one of the slowest days in three months and ended with losses in the majority.

In Chicago grains showed some gains Wednesday and Thursday while Winnipeg coarse grains were steady Wednesday.

Many View With Wonder Historical Lace Panel

The Battle of Britain Lace Panel, which is now on display in the centre window of the Standard Furniture Company, is causing much admiring comment, and stirring memories of the war.

The panel is five yards long and 65 inches wide, and it portrays in finest lace work nine exact scenes of bombing and destruction which took place in London, during the grim Battle of Britain. It shows anti-aircraft, searchlights, the sky alive with planes, bursting shells, air men parachuting from burning planes. At the top are seen the crests of the R.A.F. and nations of the Commonwealth.

With exquisite artistry national flowers are woven into the borders of the design. Old St. Pauls lays the foundation for the panel, and above it, symbolizing the fact that all suffered alike, are a cottage and a castle. Churchills words, "Never was so much owed by so many to so few" are scrolled beneath St. Pauls.

TO PERPETUATE EPIC

The panel is one of a limited number created by Dobsons and M. Browne, lace makers of Nottingham.

Dog Deer-Stalker Swims With Prey

TORONTO (CP) — A sly St. Bernard dog with venison designs on Bambi, a year-old tame doe, threw Toronto's High Park animal enclosure into confusion.

The 75-pound dog splashed under a fence across a stream and sped for the nearest deer, Bambi. The pair tumbled into the stream, flailing.

Three persons and an attendant scrambled over the fence to separate them. Another spectator telephoned the police, the Humane Society and Dr. J. A. Campbell, Riverdale Zoo curator.

Police arrived by horse, motorcycle and squad car. Everyone was splattered with mud before Dr. Campbell reached the scene to pronounce Bambi unscathed but "nervous."

The dog was "booked" at the Humane Society and later returned to its owners. And the fence was made foolproof.

BBC Takes Over Resort Theatre

LONDON (CP) — To combat the Musicians' Union on outside broadcasts—result of a disagreement on outside broadcasting fees—the British Broadcasting Corporation has taken over the Jubilee Theatre, Blackpool, for use as an outside studio.

The theatre, running for 12 weeks, is being used for dance band and variety broadcasts to which audiences are invited to create the "vaudeville atmos-

phere."

"There is a considerable reservoir of talent in Blackpool this summer," a BBC official said, "and we are drawing on it as much as possible to fill the gap

created by the ban on relays from commercial theatres, restaurants and dance halls."

The dispute with the Musicians' Union arose from the BBC's refusal to treble fees paid to artists and musicians for relay broadcasts. The BBC's argument is that artists and musicians do no extra work for relays and derive considerable advertising from them.

"Maybe, he says, 'they just don't like post office pens.'"

Inkwell's Disappear; Come Back Empty

EDMONTON (CP)—Inkwell's disappear almost daily from Edmonton's post office, says Roy Keeler, the weighing wicket clerk but almost invariably they return.

More permanently lost are the post office lobby blotters, ink and pen nibs. Gremlins, says Mr. Keeler, complicate his task of keeping the lobby's writing equipment in good order and supply.

The regularity with which the inkwells return from their brief absences leads him to believe those who take them want only the ink, a theory supported by the speed with which it disappears from the wells allowed to stay in the lobby.

It's a shame, he says, because apparently many never learn—even after it's too late—that post office ink, made from water and powders, rots the insides of fountain pens.

He's sure that school children remove the blotters—to keep their notebooks clean—but he knows that irritable grown-ups, men more than women, are responsible for the jabbed pen nibs littering the lobby table tops.

"They must be sore at some-one," he says of the men he sees almost daily, who pause suddenly while writing, jab their pen's nib into the desk, and resume writing with another.

"Maybe, he says, 'they just don't like post office pens.'"

"Franks made only from selected quality beef and pork are nutritious and digestible. Economical to use, and so many tempting main dishes can be whipped up in a jiffy with Swift's Premium Frankfurts. Try the grand recipe I have illustrated here..."

Martha Logan
(Noted Swift Home Economist)

Frankfurts-Potato Boats (serves 4)

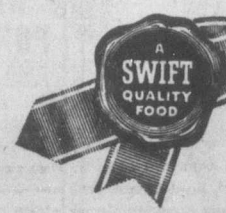

1 package Swift's Premium Frankfurts
Mashed potatoes
Salt
Pepper
2 tablespoons butter
¼ cup hot milk (about)
½ cup grated pimento
cheese
Paprika

Add salt, pepper, butter and cheese to mashed potatoes and combine thoroughly. Add enough hot milk to make light and fluffy. Beat thoroughly. Slit frankfurts lengthwise but do not cut entirely through. Put frankfurts on baking sheet. Fill with mashed potatoes. Sprinkle with paprika and broil until potatoes are golden brown and frankfurts are heated through. Serve with vegetables.

These new, delicious *All-Meat* frankfurts belong on your table... *a main dish for any meal!*

The main dish of your main meal in a jiffy—with new Swift's Premium Frankfurts—juicy, tender, taste-tempting! Nothing like them ever before—all tender beef and juicy pork! Fresh, digestible!

Enjoy these plump, juicy taste-tempters this very day and serve them often—they're so quick and easy to prepare—get them with all their natural goodness protected in the new cellophane wrapper.

Help Kidneys If Back Aches

If you suffer from Backache, Getting Up, Night, Loss of Energy, Bladder Weakness, Spriting or Itching Passages, Leg Aches, or Rheumatic Pains, due to Kidney and Bladder troubles, you should try Cystex. Within 15 minutes Cystex usually starts helping the kidneys clean out excess acids and irritating wastes which may be the real cause of your trouble. And this may quickly help you get pep and energy—make you feel younger. On less Cystex quickly brings you satisfaction help from the pains and distress of Kidney and Bladder troubles, simply return the empty package and you get your money back. You have everything to gain and nothing to lose, so don't suffer another day without asking your druggist for Cystex.

Canterbury Bells

THIS IS MY FAVORITE SPOT... under our willow, on a Cape Cod chair... my head on a pillow. I've trained the branches where they fall, to make the huge ribs of this parasol. A tree-mendous thing where I sit in its shade, & try with these pomes... to make the grade. To make it worthwhile to here compile, all I want... is your fleeting smile. Or hear you say "Why... Golly Gee... that very same thing... has happened to me."

THIS could happen to you... a brand new and beautiful bedroom suite for only \$119... the enormous plate mirror tilts on its drop centre vanity... blonde or brunette finishes.

I GLANCED just now at a Canterbury Bell, & watched a bee go in its dell. Then wallow around in that yellow stuff, till he was smothered in pollen-puff. Then watched him stagger... back again, & by the scallop... shake his frame. Then flap his wings at a humming pace, so the pollen was blown in its right place. And the thousands of tiny yellow beads, could ooze their way down... to the seeds. And then again, to start & nurse, this speck of the Rhythm of the Universe.

"The Yellow Peril"... is what we call this Chesterfield Suite... a drawing-room tub model in primrose yellow, with a floral pattern of pussy-willow grey... no man could sprawl on it, on the peril of his life. \$295 is the good news tho.

THEN AWAY flew the bee, & off his lapel he sprinkled another... in this citadel. I was listening careful... to evensong, when suddenly it's buzzing... loud like a gong. This tireless worker (here the parallel) was for me... "ringing the bell." Calling me, as to every man, to witness his part in the all-over plan. Working with flowers, out in the sun, the perfect promise of life to come. And tho they seem to wither and die, flowers come again, to beauty. Proving again, NOT death, but farewell, rings the joyous message of EACH SCENTINEL.

They'll Do It Every Time

WHEN BIGDOME TALKS ON THE PHONE, THE INSTRUMENT NEEDS NO WIRES. THEY CAN HEAR HIM OUT IN THE CEMETERY...

BUT WHEN HE DICTATES TO HIS STENO, YOU'D THINK HE WAS CHEWING UP AN OLD SOCK AT THE SAME TIME.

The DOCTOR Says:

PRAISE SETS UP GOOD HABITS IN INFANTS

By EDWIN P. JORDAN, M.D.

A healthy baby usually begins to establish bowel control between one and two years old. When the baby is nine or 10 months old it can be placed for short periods on the "potty." This should be done at first with the child lying down as it is not yet able to sit up safely.

Most infants begin to catch on to the idea quickly, especially if praise is given when the desired results occur. The "potty" should be used regularly at the same time of day, usually after the first morning meal. Neither the mother nor the baby should be worn out by keeping it up too long if success is not achieved.

The infant enjoys cleanliness and appreciates the praise received. The parents should not show irritability when the infant fails as this may merely make the baby worse and delay bowel control. Once it has been established and the child is a little older, the responsibility for the bowels should be placed on the child rather than the parent.

AUTOMATIC PROCESS

In small babies the process of emptying the bladder is automatic. As soon as the bladder is stretched to a certain point, the nerves carry the message to the spinal cord and the bladder is automatically emptied.

Rather gradually the sensation of a full bladder begins to be carried up to the brain itself and when this develops, it is possible for the child to control urination. Until the message is received in the brain, however, it is useless to expect a baby to have control over his bladder functions.

Bladder controls comes slowly

(Answer to previous puzzle)

LISTER HILL

and parents should not be concerned if their baby does not develop complete control as soon as some other child they know about.

Question: Does homogenized milk contain a chemical which causes the cream to stay mixed with the rest of the milk?

Answer: No. What makes milk homogenize is a change in the size of the fat globules. Homogenization involves the passage of milk through fine nozzles under great pressure, breaking large fat globules into small ones.
